The Doctrine Of Grace In The Apostolic Fathers:

The Doctrine of Grace in the Apostolic Fathers Thomas F. Torrance, 1996-12-03 T F Torrance aims in this book to discover how and why there came about in the early history of the Christian Church the enormous difference that exists between the faith of the New Testament and that of the second and third centuries He explores how the concept of grace is distinctively characteristic of every doctrine of the New Testament and yet at the same time is the most sensitive to change

The Doctrine of Grace in the Apostolic Fathers Thomas Forsyth Torrance, 2017 T F Torrance aims in this book to discover how and why there came about in the early history of the Christian Church the enormous difference that exists between the faith of the New Testament and that of the second and third centuries He explores how the concept of grace is distinctively characteristic of every doctrine of the New Testament and yet at the same time is the most sensitive to change

The Apostolic Fathers and Justification: A Warning David H. J. Gay, 2018-11-27 Justification by faith by faith alone on the basis of God's grace alone is a key gospel doctrine Indeed with Martin Luther I would argue that it is the cardinal doctrine of the gospel Naturally therefore the devil can never leave it alone he makes sure that it is constantly under attack remorselessly undermining it He has been engaged in his nefarious practice right from the time the apostles and never has he let up Nor will he until the end of the age 2 Thess 2 3 12 1 Tim 4 1 2 Tim 3 1 2 Pet 3 3 He has met with considerable success and continues to do so not least in that there are grim signs that the Apostolic Fathers and their doctrines are coming into vogue Moreover not a few former Evangelicals and Reformed are defecting to Rome or the Orthodox Church both of which Churches are heavily dependent on the Apostolic and later Fathers I deplore this rising interest in the Fathers for they gravely impaired the doctrine of justification the consequences of which are with us still And all this explains why I publish this designedly simple booklet on the work of Thomas F Torrance *The Doctrine of Grace in the Apostolic Fathers* Torrance's book is invaluable in this area By this annotated digest of Torrance's work I will set out how the Apostolic Fathers warped the doctrine of justification by faith Consequently to return to the Apostolic Fathers which as I have explained not a few are doing is to take a fatal step over this cardinal doctrine of the gospel It really is that serious I write bearing in mind the apostle's injunction to Timothy when faced with apostasy in his day If you put these things before the brothers you will be a good servant of Christ Jesus being trained in the words of the faith and of the good doctrine that you have followed 1 Tim 4 6 So writes David Gay as he opens this booklet For a free audio book of the author reading this title please go to davidhjgay.com *The Doctrine of Grace in the Apostolic Fathers, "Inaugural-Dissertation... Arnold, 2017-02-20 This book seeks to answer the following question how did the doctrine of justification fare one hundred years after Paul's death c AD 165 This book argues that Paul's

view of justification by faith is present in the second century a thesis that particularly challenges T F Torrance's long held notion that the Apostolic Fathers abandoned this doctrine *The Doctrine of Grace in the Apostolic Fathers* 1948 In the wake of Torrance's work there has been a general consensus that the early fathers advocated works righteousness in opposition to Paul's belief that an individual is justified before God by faith alone but second century writings do not support this claim Each author examined Clement of Rome Ignatius of Antioch Epistle to Diognetus Odes of Solomon and Justin Martyr contends that faith is the only necessary prerequisite for justification even if they do indicate the importance of virtuous living This is the first major study on the doctrine of justification in the second century thus filling a large lacuna in scholarship With the copious amounts of research being conducted on justification it is alarming that no work has been done on how the first interpreters of Paul received one of his trademark doctrines It is assumed wrongly that the fathers were either uninterested in the doctrine or that they misunderstood the Apostle Neither of these is the case This book is timely in that it enters the fray of the justification debate from a neglected vantage point
