The Harrowing Of Eden:

'Enough to Keep Them Alive' Hugh E.Q. Revealing Whiteness Shannon Sullivan,2006-03-28 A lucid discussion of race that does not sell out the black experience Tommy Lott author of The Invention of Race Revealing Whiteness explores how white privilege operates as an unseen invisible and unquestioned norm in society today In this personal and selfsearching book Shannon Sullivan interrogates her own whiteness and how being white has affected her By looking closely at the subtleties of white domination she issues a call for other white people to own up to their unspoken privilege and confront environments that condone or perpetuate it Sullivan s theorizing about race and privilege draws on American pragmatism psychology race theory and feminist thought As it articulates a way to live beyond the barriers that white privilege has created this book offers readers a clear and honest confrontation with a trenchant and vexing concern

The Last Bastion of the Living Rhiannon Frater, 2012 The Bastion was humanity's last hope against the fearsome undead creatures known as the Inferi Scourge. A fortified city with a high wall surrounded by lush land rich with all the resources needed to survive, protected by high mountain summits and a massive gate to secure the only pass into the valley, the Bastion became the last stronghold of the living on earth. But one fateful day, the gate failed, and the Inferi Scourge destroyed the human settlements outside the walls and trapped the survivors inside the city. Now decades later, the last remaining humans are struggling to survive in a dying city as resources and hope dwindle.

Vanguard Maria Martinez has lived her whole life within the towering walls of steel. She yearns for a life away from the overcrowded streets, rolling blackouts, and food shortages, but there is no hope for anyone as long as the Inferi Scourge howls outside the high walls. Her only refuge from the daily grind is in the arms of her lover, Dwayne Reichardt, an officer in the Bastion Constabulary. Both are highly decorated veterans of the last disastrous push against the Inferi Scourge. Their secret affair is her only happiness. Then one day, Maria is summoned to meet with a mysterious representative from the Science Warfare Division and is offered the opportunity to finally destroy the Inferi Scourge in the valley and close the gate. The rewards of success are great, but she will have to sacrifice everything, possibly even her life, to accomplish the ultimate goal of securing the future of humanity and saving it from extinction.
