Shackel, 2008 Harpers Ferry National Historical Park is most widely known today for the attempted slave revolt led by John Brown in 1859 the nucleus for the interpretation of the current national park Here Teresa S Moyer and Paul A Shackel tell the behind the scenes story of how this event was chosen and preserved for commemoration providing lessons for federal state local and non profit organizations who continually struggle over the dilemma about which past to present to the public Professional and non professional audiences alike will benefit from their important insights into how federal agencies interpret the past and in turn shape public memory **The Civil War Memoir of a Boy from Baltimore** Holly I. Powers, 2023-08-18 Fourteen year old George Maguire was eager to serve the Union when his home state Maryland began raising regiments for the coming conflict Too young to join he became a mascot for the Fifth Maryland Infantry Regiment organized in September 1861 Although he never formally enlisted or carried a weapon Maguire recounts several pivotal events in the war including the sea battle of the Monitor vs Merrimac Peninsula Campaign action and the Battle of Antietam During middle age Maguire recorded his memoir one of the few from a Maryland unit providing a distinctive blend of the adventures of a teenage boy with the mature reflection of a man His account of the Peninsula Campaign captures the success of the mobilization of forces and confirms the existing historical record as well as illuminating the social structure of camp life Maguire s duties evolved over time as he worked alongside army surgeons and assisted his brother in law a rabid abolitionist and provost marshal of the regiment This experience qualified him to work at the newly constructed Thomas Hicks United States General Hospital once he left the regiment in 1863 his memoir describes the staffing hierarchy and the operating procedures implemented by the Army Medical Corps at the end of the war illuminated with the author s own sketches of the facility From the Pratt Street riot in Baltimore to a chance encounter with Red Cross founder Clara Barton to a firsthand view of Hicks Hospital this sweeping yet brief memoir provides a unique opportunity to examine the experiences of a child during the war and to explore the nuances of memory Beyond simply retelling the events as they happened Maguire s memoir is woven with a sense of remorse and resolve loss and fear and the pure wonderment of a teenage boy accompanying one of the largest assembled armies of its day *25 Best Civil War Sites* Clint Johnson, 2005 This guide brings history to life with richly detailed engaging descriptions of the most important battle sites museums and reenactments *In the Wake of War* Andrew F. Reynolds,2009-07-29 An authoritative new examination of John Brown and his deep impact on American history Bancroft Prize winning cultural historian David S Reynolds presents an informative and richly considered new exploration of the paradox of a man steeped in the Bible but more than willing to kill for his abolitionist cause Reynolds locates Brown within the currents of nineteenth century life and compares him to modern terrorists civil rights activists and freedom fighters Ultimately he finds neither a wild eyed fanatic nor a Christ like martyr but a passionate opponent of racism so dedicated to eradicating slavery that he realized only blood could scour it from the country he loved By stiffening the backbone of Northerners and showing Southerners there were those who would fight for their cause he hastened the coming of the Civil War This is a vivid and startling story of a man and an age on the verge of calamity **Raising the White Flag** David Silkenat,2019-02-27 The American Civil War began with a laying down of arms by Union troops at Fort Sumter and it ended with a series of surrenders most famously at Appomattox Courthouse But in the intervening four years both Union and Confederate forces surrendered en masse on scores of other occasions Indeed roughly one out of every four soldiers surrendered at some point during the conflict In no other American war did surrender happen so frequently David Silkenat here provides the first comprehensive study of Civil War surrender focusing on the conflicting social political and cultural meanings of the action Looking at the conflict from the perspective of men who surrendered Silkenat creates new avenues to understand prisoners of war fighting by Confederate guerillas the role of southern Unionists and the experiences of African American soldiers The experience of surrender also sheds valuable light on the culture of honor the experience of combat and the laws of war **Forensic and Ethical Issues in Military Behavioral Health** Elspeth Cameron Ritchie,2014

The Journal of a Civil War Surgeon Jonah Franklin Dyer,2003-01-01 J Franklin Dyer s journal offers a rare perspective on three years of the Civil War as seen through the eyes of a surgeon at the front The journal taken from letters written to his wife Maria describes in lengthy and colorful detail the daily life of a doctor who began as a regimental surgeon in the Nineteenth Massachusetts Volunteers and was promoted to acting medical director of the Second Corps Army of the Potomac This firsthand account traces Dyer s attempts to manage his Gloucester household even as the Second Corps fought on the Peninsula at Second Bull Run Antietam Fredericksburg Chancellorsville Gettysburg and from the Wilderness to Petersburg Over time his letters to his wife become fraught with the tension of a man losing his early martial ardor as he witnesses the ghastly procession of suffering and death Both a talented surgeon and a careful administrator Dyer nevertheless declined opportunities to work at hospitals in the rear in order to stay near his old regiment and the fighting He confronted the aftermath of battle thousands of wounded and dying men with a small staff and simple instruments He and his fellow surgeons saved lives as best they could often at the cost of amputated limbs then dropped to the ground from exhaustion and slept in blood drenched uniforms until the cries of the wounded woke them and induced them back to work Dyer also provides a glimpse of the most devastating opponent the armies faced disease He and his medical colleagues fought cholera typhus dysentery measles and despite official denials in Washington a scurvy outbreak that weakened Federal units during the Peninsula campaign
