Six Day War Prologue And Aftermath

Bernard Reich, David H. Goldberg

Six Day War Prologue And Aftermath:

Britain, the Six-day War and Its Aftermath Frank Brenchley, 2005-02-25 Britain's reputation in the Middle East had been reduced to shreds by the fiasco of the Suez War in 1956 but by 1967 as a result of quiet diplomacy and long standing contact with the region recovery seemed possible But all seemed shattered by the Six Day War and especially by the Big Lie alleging that Britain and the USA colluded with Israel in the war and were thus vital in defeating the Arab side Britain the Six Day War and its Aftermath is a cool detailed and detached account by a top mandarin at the heart of British policy who refutes the allegations and shows Britain as pursuing an even handed policy while promoting long standing British diplomatic and vitally for Britain's flagging economy and global position economic interests **The Six-Day War** David Kimche, 1968

Reconstructing a Shattered Egyptian Army Youssef Aboul-Enein, 2014-06-15 Central to CDR Youssef Aboul Enein's career has been the mission to introduce America's military leaders to Arabic works of military significance Just like American military leaders who had an obsession for all things Russian during the Cold War in order to understand the Soviets the war on al Qaida and the complex nuances of the Arab Spring demand a deeper comprehension of the Middle East from direct sources The memoirs of General Mohamed Fawzi Egyptian War Minister from 1967 to 1971 were first published in 1984 but his work has not been translated and remains undiscovered by English speaking readers Many in the United States Armed Services have yet to be introduced to his ideas perspectives and the seeds by which the 1973 Yom Kippur War were laid In this new contribution to his series of essays written for Infantry Journal Aboul Enein has determined to bring to life the military thoughts of this Arab War Minister This book is a joint Infantry Naval Institute Press project that has condensed the entire collection of essays on Fawzi to a single volume to provide future generations of America's military leaders with access his ideas Fawzi is unique among Arab generals for his scathing critique of his own armed forces and from his critical examination of what went wrong in 1967 he was able to slowly resurrect the Egyptian Armed Forces to a level that enabled Sadat to consider an offensive in 1973 This Egyptian general will provide insights into the level of Soviet cooperation and military aid provided Egypt after the 1967 Six Day War known simply in Arabic by one word al Naksah the setback not to be confused with the 1948 Arab Israeli War known by one word al Nakbah the catastrophe While Fawzi lapses into conspiracy indulges in wishful thinking and employs the language of pan Arabism on occasion much like Soviet military theorists couched their ideas in Marxist Leninist rhetoric this will not stop serious American students of war from recognizing his brilliance about the lessons learned from the crushing defeat of Egyptian arms in the 1967 Six Day War

The Six-Day War David Kimche, Dan Bawley, 1971 Historical Dictionary of Israel Bernard Reich, David H. Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948

Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of Historical Dictionary of Israel contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

A Brief History of Israel Bernard Reich, 2008 Narrates the complex tale of Israel's people and their modern state established thousands of years after the destruction of the old one against the backdrop of exile anti-Semitism Zionism and the Holocaust

Dynamics of Dependence: U.S.-Israeli Relations Gabriel Sheffer, 2019-03-13 Despite Israel's enormous dependence on the United States relatively little has been written by Israeli scholars about relations between the two countries In this book of original essays contributors discuss the social ideological and political groups in the United States that support or oppose Israel examine how they influence policy decisions and review U.S. public opinion toward Israel In addition the politics of supplying arms and economic aid to Israel are analyzed in historical perspective Finally the contributors explore the range of U.S. interests in the dispute over the West Bank

1963-1977 Heinz-Dietrich Fischer, 2020-01-20 No detailed description available for 1963-1977

Moscow and the Middle East Robert Owen Freedman, 1991-01-25 Professor Freedman provides an exhaustive account of Soviet policy in the Middle East from the invasion of Afghanistan in December 1979 to withdrawal from the country ten years later

Conventional Deterrence John J. Mearsheimer, 1983 Conventional Deterrence is a book about the origins of war Why do nations faced with the prospect of large scale conventional war opt for or against an offensive strategy John J. Mearsheimer examines a number of crises that led to major conventional wars to explain why deterrence failed He focuses first on Allied and German decision making in the years 1939-1940 analyzing why the Allies did not strike first against Germany after declaring war and conversely why the Germans did attack the West Turning to the Middle East he examines the differences in Israeli and Egyptian strategic doctrines prior to the start of the major conventional conflicts in that region Mearsheimer then critically assays the relative strengths and weaknesses of NATO and the Warsaw Pact to determine the prospects for conventional deterrence in any future crisis He is also concerned with examining such relatively technical issues as the impact of precision guided munitions PGM on conventional deterrence and the debate over maneuver versus attrition warfare Mearsheimer pays considerable attention to questions of military strategy and tactics Challenging the claim that conventional deterrence is largely a function of the numerical balance of forces he also takes issue with the school of thought that ascribes deterrence

failures to the dominance of offensive weaponry In addition to examining the military consideration underlying deterrence he also analyzes the interaction between those military factors and the broader political considerations that move a nation to war
