STEPHEN LEACOCK

The Sage of Orillia

A BIOGRAPHY BY
James Doyle

Stephen Leacock The Sage Of Orillia

Annelies Wilder-Smith

Stephen Leacock The Sage Of Orillia:

Stephen Leacock James Doyle,1992 Stephen Leacock Canada's foremost literary humorist enjoyed a huge popular success in his time and a number of his comic works especially *Sunshine Sketches of a Little Town* still have the power to delight today's readers But Leacock accomplished much more He was also a professor of political science and economics he produced 61 works in several fields he wrote more than 90 scholarly articles James Doyle explores both the private and public lives of this prominent and prolific writer Highlights of this illustrated biography include Leacock's hardworking life as a child growing up on a farm in a lost corner of Ontario the university years which resulted in a PhD in economics and political science from the University of Chicago the motivations behind Leacock's dual commitment to social commentary and comic writing and his conservatism his ardent belief in the British empire and how it affected his increasingly active career on the international lecture circuit

Stephen Leacock Margaret MacMillan,2009 Canada's foremost historian examines the life of a great humorist Stephen Leacock's satiric masterpiece *Sunshine Sketches of a Little Town* captures the Empire forevermentality that marked Anglo Canadian life in the early decades of the twentieth century Historian Margaret Macmillan whose books *Women of the Raj* and *Paris 1919* cast fresh light on the colonial legacy has great affection for Leacock's gentle wit and sharp eyed insight The renowned historian examines Leacock's life as a poor but ambitious student who rose to become an economist celebrated academic and most importantly the beloved humorist who taught Canadians to laugh at themselves

The Canadian Short Story Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

Alan
Bowker's Canadian Heritage 2-Book Bundle Alan Bowker,2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was

really like to live through the great upheaval that pushed Canada to come into its own on the world stage A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress

The Mini-Cycle Allan Weiss, 2021-05-06 While scholars have been studying the short story cycle for some time now this book discusses a form that has never before been identified and named let alone analyzed the mini cycle A mini cycle is a short story cycle made up in most cases of only two or three stories This study looks at mini cycles spanning the period from Anton Chekhov's little trilogy 1898 to the Alphinland stories in Margaret Atwood's Stone Mattress 2014 including texts by such authors as Stephen Leacock Alice Munro Robert Olen Butler and Clark Blaise Consideration is also given to marginal examples like Sherwood Anderson's Godliness A Tale in Four Parts 1919 which can be seen as one story or four distinct texts unified under one title and to what is called the exploded mini cycle one whose component stories are published with intervening stories between them rather than consecutively For each mini cycle the analysis is based on close reading of both the linking elements character imagery symbolism and so forth and the rhetorical and aesthetic effects of the mini cycle's being made up of distinct stories rather than constructed as one long narrative

Biographical Dictionary of North American and European Educationists Richard Aldrich, Peter Gordon, 2023-05-09 This is a guide to the lives and work of more than 500 Americans Canadians and Europeans in the categories subsumed under the term educationists Entries are almost entirely restricted to those with main careers in the 19th and 20th centuries none of the subjects is still living

Negotiating Disease Barbara Clow, 2001-09-20 Her detailed analysis of popular beliefs and behaviours reveals the compelling logic of personal decisions about health and healing Experience and expectation not fear and ignorance shaped the health care choices of both cancer sufferers and the healthy public A close examination of three unconventional

practitioners in Ontario demonstrates the importance and vitality of alternative medicine By presenting treatment options that were congenial and plausible to cancer sufferers these healers contested the authority of conventional medicine An investigation of government cancer care policy particularly the activities of Ontario's Commission for the Investigation of Cancer Remedies exposes the difficulties of defining legitimate health care and the limits of state support for the medical profession This is ultimately a book about who held power in medical encounters in the past With masterful assurance and a highly readable style Clow portrays the disputes between sufferers and healers practitioners and politicians and legislators and laity that coloured perceptions of medical authority and constrained the power of the profession

Sunshine Sketches of a Little Town Stephen Leacock, 1996 In this lavishly illustrated gift edition Stephen Leacock's beloved comic classic gets a fresh new look from renowned cartoonist Seth For long time fans of Stephen Leacock and Seth collectors of Canadiana as well as readers of Lemony Snicket and Chester Brown's *Louis Riel* As funny relevant and insightful today as when it was first published *Sunshine Sketches of a Little Town* presents a vibrant and unforgettable portrait of the delightful citizens of the fictional small town of Mariposa Ontario Now in this sumptuously designed gift edition internationally acclaimed cartoonist Seth brings his unique vision and artistry to bear on the inhabitants of this little town to spectacular effect With more than 40 full and double page colour illustrations throughout this special edition is an extraordinarily beautiful and loving tribute to Mariposa and its residents one that is sure to enchant long time fans of Leacock's book as well as captivate a new generation of readers
