Christopher Queen, Duncan Ryuken Williams

Taking Refuge In L A Life In A Vietnamese Buddhist Temple:

Taking Refuge in L.A. Don Farber, Rick Fields, 1987 *New Spiritual Homes* David K. Yoo, 1999-01-01 *New Spiritual Homes* investigates how the religious traditions movements and institutions have been vital for Asian Americans past and present Through essays expressive works and resource materials it reframes the religious landscape and brings into view the experiences of Asian Americans The essay covers an impressive range of topics including Chinese American Protestant nationalism the development of Filipino American folk religion law and religion among American Sikhs **Engaged**

Buddhism in the West Christopher S. Queen, 2000 A Harvard professor and expert on Buddhism traces the evolution of Engaged Buddhism which is founded on the belief that genuine spiritual practice requires an active involvement in society

The Columbia Guide to Asian American History Gary Y. Okihiro, 2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others **How the Swans Came to**

the Lake Rick Fields, Benjamin Bogin, 2022-02-08 This new updated edition of *How the Swans Came to the Lake* includes much new information about recent events in Buddhist groups in America and discusses such issues as spiritual authority the role of women and social action Buddhism in America Richard Hughes Seager, 2012-07-03 Over the past half century in

America Buddhism has grown from a transplanted philosophy to a full fledged religious movement rich in its own practices leaders adherents and institutions Long favored as an essential guide to this history *Buddhism in America* covers the three major groups that shape the tradition an emerging Asian immigrant population native born converts and old line Asian American Buddhists and their distinct yet spiritually connected efforts to remake Buddhism in a Western context This edition updates existing text and adds three new essays on contemporary developments in American Buddhism particularly the aging of the baby boom population and its effect on American Buddhism s modern character New material includes revised information on the full range of communities profiled in the first edition an added study of a second generation of young Euro

American leaders and teachers an accessible look at the increasing importance of meditation and neurobiological research and a provocative consideration of the mindfulness movement in American culture The volume maintains its detailed account of South and East Asian influences on American Buddhist practices as well as instances of interreligious dialogue socially activist Buddhism and complex gender roles within the community Introductory chapters describe Buddhism s arrival in America with the nineteenth century transcendentalists and rapid spread with the Beat poets of the 1950s The volume now concludes with a frank assessment of the challenges and prospects of American Buddhism in the twenty first century

Buddhism in Canada Bruce Matthews,2006-04-18 This insightful study analyzes the phenomenon of Buddhism in Canada from a regional perspective providing an important examination of the place of Buddhism in a developed western country associated with a traditional Judeo Christian culture but undergoing profound sociological transformation due to large scale immigration and religio cultural pluralism

Luminous Passage Charles S. Prebish,1999-06-07 Since the 1960s Buddhism in America has been viewed through the lens of idealism generally associated with the spiritual quest of baby boomers This portrayal has been accurate only to a degree Charles Prebish s Luminous Passage is the first account in a new generation of commentary to demonstrate the complexity and variety of this tradition as it establishes roots in this country This book will surely stand as one of the most comprehensive assessments of Buddhism in the United States at the turn of the millennium Richard Seager Hamilton College

American Buddhism Christopher Queen,Duncan Ryuken Williams,2013-10-18 This is the first scholarly treatment of the emergence of American Buddhist Studies as a significant research field Until now few investigators have turned their attention to the interpretive challenge posed by the presence of all the traditional lineages of Asian Buddhism in a consciously multicultural society Nor have scholars considered the place of their own contributions as writers teachers and practising Buddhists in this unfolding saga In thirteen chapters and a critical introduction to the field the book treats issues such as Asian American Buddhist identity the new Buddhism Buddhism and American culture and the scholar s place in American Buddhist Studies The volume offers complete lists of dissertations and theses on American Buddhism and North American dissertations and theses on topics related to Buddhism since 1892

Envisioning Religion, Race, and Asian Americans David K. Yoo,Khyati Y. Joshi,2020-08-31 In Envisioning Religion Race and Asian Americans David K Yoo and Khyati Y Joshi assemble a wide ranging and important collection of essays documenting the intersections of race and religion and Asian American communities a combination so often missing both in the scholarly literature and in public discourse Issues of religion and race ethnicity undergird current national debates around immigration racial profiling and democratic freedoms but these issues as the contributors document are longstanding ones in the United States The essays feature dimensions of traditions such as Islam Hinduism and Sikhism as well as how religion engages with topics that include religious affiliation or lack thereof the legacy of the Vietnam War and popular culture The contributors also address the role of survey data pedagogy methodology and literature that is richly

complementary and necessary for understanding the scope and range of the subject of Asian American religions. These essays attest to the vibrancy and diversity of Asian American religions while at the same time situating these conversations in a scholarly lineage and discourse. This collection will certainly serve as an invaluable resource for scholars, students, and general readers with interests in Asian American religions, ethnic and Asian American studies, religious studies, American studies, and related fields that focus on immigration and race.

The Oxford Handbook of American Buddhism Ann Gleig, Scott A. Mitchell, 2024. The Oxford Handbook of American Buddhism offers the most comprehensive and up to date scholarship available on Buddhism in America. It charts the history and diversity of Buddhist communities including traditions and communities that have been previously neglected and looks at the ways in which Buddhist practices such as mindfulness meditation have been adopted in non Buddhist settings.

In Defense of Asian American Studies Sucheng Chan, 2005. In *Defense of Asian American Studies* offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars. Wielding intellectual energy, critical acumen, and a sly sense of humor, Sucheng Chan discusses her experiences on three campuses within the University of California system as Asian American studies was first developed in response to vehement student demand under the rubric of ethnic studies. Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism, and as a scholar and researcher still asking her own questions. The essays span three decades and close with a piece on the new challenges facing Asian American studies. Eloquent, documenting a field of endeavor in which scholarship and identity define and strengthen each other. *In Defense of Asian American Studies* combines analysis, personal experience, and indispensable practical advice for those engaged in building and sustaining Asian American studies programs.

The Faces of Buddhism in America Charles S. Prebish, Kenneth K. Tanaka, 2023-11-15. Buddhism is the fastest growing religion in the United States with adherents estimated in the several millions. But what exactly defines a Buddhist? This has been a much debated question in recent years, particularly in regard to the religion's bifurcation into two camps: the so-called imported or ethnic Buddhism of Asian immigrants and the convert Buddhism of a mostly middle class liberal intellectual elite. In this timely collection, Charles S. Prebish and Kenneth K. Tanaka bring together some of the leading voices in Buddhist studies to examine the debates surrounding contemporary Buddhism's many faces. The contributors investigate newly Americanized Asian traditions such as Tibetan Zen, Nichiren, Jodo Shinshu, and Theravada Buddhism and the changes they undergo to meet the expectations of a Western culture desperate for spiritual guidance. Race, feminism, homosexuality, psychology, environmentalism, and notions of authority are some of the issues confronting Buddhism for the first time in its three thousand year history and are powerfully addressed here. In recent years, American Buddhism has been featured as a major story on ABC television news, National Public Radio, and in other national media. A strong new Buddhist journalism is

emerging in the United States and American Buddhism has made its way onto the Internet The faces of Buddhism in America are diverse active and growing and this book will be a valuable resource for anyone interested in understanding this vital religious movement Buddhism is the fastest growing religion in the United States with adherents estimated in the several millions But what exactly defines a Buddhist This has been a much debated question in recent years particularly in regard to the religion s bifurca *Yoga Journal* ,1990-07 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **Heartwood** Wendy Cadge,2024-05-31 Theravada is one of the three main branches of Buddhism In Asia it is practiced widely in Thailand Laos Burma Sri Lanka and Cambodia This fascinating ethnography opens a window onto two communities of Theravada Buddhists in contemporary America one outside Philadelphia that is composed largely of Thai immigrants and one outside Boston that consists mainly of white converts Wendy Cadge first provides a historical overview of Theravada Buddhism and considers its specific origins here in the United States She then brings her findings to bear on issues of personal identity immigration cultural assimilation and the nature of religion in everyday life Her work is the first systematic comparison of the ways in which immigrant and convert Buddhists understand practice and adapt the Buddhist tradition in America The men and women whom Cadge meets and observes speak directly to us in this work both in their personal testimonials and as they meditate pray and practice Buddhism Creative and insightful Heartwood will be of enormous value to sociologists of religion and anyone wishing to understand the rise of Buddhism in the Western world **Flowers on the Rock** John S. Harding,Alexander Soucy,Victor Sōgen Hori,2014-06-01 When Sasaki Sokei an founded his First Zen Institute of North America in 1930 he suggested that bringing Zen Buddhism to America was like holding a lotus against a rock and waiting for it to set down roots Today Buddhism is part of the cultural and religious mainstream Flowers on the Rock examines the dramatic growth of Buddhism in Canada and questions some of the underlying assumptions about how this tradition has changed in the West Using historical ethnographic and biographical approaches contributors illuminate local expressions of Buddhism found throughout Canada and relate the growth of Buddhism in Canada to global networks A global perspective allows the volume to overcome the stereotype that Asia and the West are in opposition to each other and recognizes the continuities between Buddhist movements in Asia and the West that are shaped by the same influences of modernity and globalization Flowers on the Rock studies the fascinating and ingenious changes inflections and adaptations that Buddhists make when they set down roots in a local culture It is essential reading for anyone interested in Buddhism religious life in Canada and the broader issues of multiculturalism and immigration Contributors include Michihiro Ama University of Alaska D Mitra Barua University of Saskatchewan Paul Crowe Simon Fraser University Melissa Anne Marie Curley University of
