## **Taking Control How Managers Thrive During Mergers Acquisitions And Downsizings:**

Conflict Management for Managers Susan S. Raines, 2019-07-26 *Conflict Management for Managers* is designed to equip managers with the skills and information they need to improve their handling of common disputes. Enhanced to facilitate your daily work, this updated edition incorporates a greater number of exercises that address conflicts with employees, customers, business partners, and regulators. Library Journal, 1988 *Conflict Management for Managers* Susan S.

Raines, 2012-12-14 Raines masterfully blends the latest empirical research on workplace conflict with practical knowledge, skills, and tools to effectively manage and prevent a wide range of conflict episodes. This is a highly applicable top shelf book that will assist anyone from the aspiring manager to top level management and leadership in the public, private, and nonprofit sectors. It will also be a fast favorite of professors, trainers, and students of business and conflict management. Brian

Polkinghorne, Distinguished Professor, Center for Conflict Resolution, Salisbury University. With her broad dispute resolution teaching and editing experience, Susan Raines is uniquely qualified to organize what is known about conflict management in the workplace. She has succeeded in providing private, public, and nonprofit managers with accessible concepts and tools to deal effectively with the internal and external conflicts they must confront every day. Essential reading for all managers. Alan E. Gross, senior director, training coordinator, New York Peace Institute. After reading an advance copy of Raines's impressive book, I can't wait to begin to use it as a seminal text in my classes in organizational conflict. I am amazed at her ability to cover so well such disparate subjects as systems design, public policy disputes, small and large group processes, customer conflicts, conflicts in a unionized environment, and conflicts within regulatory contexts. Her user-friendly writing style is enhanced by her salient examples of exemplary and mistake-laden practices within public and private sector organizations. A must read for scholars, students, and practitioners interested in organizational conflict. Neil H. Katz, professor, Conflict Analysis and Resolution, Nova Southeastern University. Conflict management skills are essential to a manager's success. Raines, a leading scholar and practitioner, provides a comprehensive and strategic new guide to these critical skills and how to use them in any organization. Lisa Blomgren Bingham, Keller Runden Professor of Public Service, School of Public and

Environmental Affairs, Indiana University. Conflict Management and Leadership for Managers Susan S. Raines, 2023-09-18

All managers are conflict managers, and *Conflict Management and Leadership for Managers*, Third Edition, coaches current and future organizational leaders with the knowledge and skills necessary to prevent and manage every common source of conflict faced at work. This text is divided into three sections: conflict management and collaboration basics, strategies for preventing conflicts inside your work teams and organizations, and processes and skills for enhancing relationships with external stakeholders. This comprehensive all-in-one resource offers skill-based exercises, self-assessments for role understanding and goal setting, and a variety of learner-friendly tools. Informed by decades of experience working with organizations of all types, sizes, missions, and cultures, Susan S. Raines demonstrates how effective and creative managers

positively address conflict to enhance collaboration and mission achievement thrive in rapidly changing environments and craft a positive brand image for both one's organization and their own career Updates to the Third Edition Greatly expanded coverage of DEI related conflict management woven into all sections for greater racial ethnic gender and sexuality cultural and religious sensitivity and situational specificity coverage Greater coverage of the roles of social media and technology in increasing and decreasing conflict and suggested technological strategies to utilize and/or mitigate increasingly modernizing work communication methods and advancement challenges More coverage of distributed hybrid workplace issues around team cohesion employee motivation and connectedness relevant to industry wide environmental changes initiated by the COVID 19 pandemic Increased coverage of informal conflict and dispute resolution that are more common and nuanced providing more granular application of skills and strategies Improved art program for visual learners Updated relevant court rulings and federal policies to stay in step with current legal best practice
