Talk Is Not Enough:

One Life is Not Enough Therese Costard, 2001-03-27 What makes a human being like one thing one person and dislike others Could our body cells and our souls come with all this information Could souls look for each other over and over life after life The story of Luke and Kate can be told only on this life but if you have an open mind you can consider the possibility that they are meeting again Their love is real and strong and will be tested beyond their imagination Kate thought she had finally found true love with Luke but an accident turns her world upside down and again she needs to conquer what she thought was already hers Luke was every woman s dream handsome rich and a good person But when he thinks he has it all he loses everything Another life and lesson show them that life is just a journey and this life is just a stop on the way to a final destiny
