El-Hi Textbooks & Serials in Print, 2003 ,2003 *Abraham Lincoln, Public Speaker* Waldo W. Braden, 1993-07-01 In *Abraham Lincoln Public Speaker* Waldo W Braden presents a thought provoking study of the

sixteenth president's rhetorical style In his discussion of Lincoln's speaking practices from 1854 through 1865 Braden draws extensively on Lincoln's papers and the reports of those who knew him and heard him speak He portrays Lincoln in his various shows how Lincoln adapted to the public's growing recognition of his political abilities In separate chapters devoted to Lincoln's three most famous speeches the First Inaugural Address the Gettysburg Address and the Second Inaugural Address Braden Analyzes the ways in which each demonstrated Lincoln's persuasive abilities during the difficult years of the Civil War Braden does not claim that Lincoln was an orator in the grand classical style of Daniel Webster Edward Everett and Charles Sumner But he shows that Lincoln was a gifted speaker in his own right able to win support by demonstrating that he was a man of common sense and good moral character **El-Hi Textbooks & Serials in Print, 2005** ,2005 *El-Hi Textbooks & Serials in Print, 2000* ,2000 **Subject Guide to Children's Books In Print, 1996** R R Bowker Publishing,1996 **Children's Books in Print, 2007** ,2006 **Conducting the Reference Interview, Third Edition** Catherine Sheldrick Ross ,Kirsti Nilsen ,Marie L. Categories in Social Interaction Kevin A. Whitehead, Elizabeth Stokoe, Geoffrey Raymond, 2024-12-30 This book investigates the situated re production of categories from the most mundane and unremarkable to those most strongly associated with power and privilege By examining the reciprocal relationships between categorial phenomena and the basic structures and practices of social interaction the book provides a new framework for integrating conversation analysis and membership categorization analysis Across its ten chapters the book describes a conversation analytic approach to studying categories and categorization charts the development and history of membership categorization analysis and addresses core methodological challenges and practices associated with using this approach After mapping out the new framework developed in the book each chapter describes intersections between categorial phenomena and the domains that comprise the infrastructure of social interaction The book concludes by exploring applications interventions and impacts of understanding categories in ways examined across the preceding chapters and by considering future avenues for excavating categorial practices in the ordinary institutional and technological settings of human social life *Categories in Social Interaction* is essential reading for social scientists with an interest in categories of people and categorizing practices and especially for practitioners and students of conversation analysis membership categorization ethnomethodology and discursive psychology

Resources in Education , 1998 Mediatized Fan Play Line Nybro Petersen, 2022-04-10 Addressing fans digital practices this book places fans play at the centre of a networked mainstream culture that seems to increasingly cater to amalgamate with and adapt to fans mediatized play Through case studies of the fan communities of the Hamilton musical and Norwegian streaming hit SKAM along with examples from many other online fan communities the book dives into how fans navigate and create play rules as part of their community building in a networked digital landscape and how they use the digital affordances of social media to engage in language play It analyses the role of mediatized fan play in

the context of political culture and identifies processes of fanization as fans play moods and modes are integrated into politics Finally the book discusses the role of fan play in the context of the global conspiracy theory QAnon as those instigating the conspiracy and those who are fans of the movement engage in dark play and deep play respectively The book suggests that we might understand fan communities as pioneer communities in the sense that there is increased value placed on fans mood work and fan play is integrated into other societal domains This is an engaging book for scholars and students studying media studies and cultural studies particularly courses on fan studies film studies television studies and mediatization

Exploring Intercultural Communication Zhu Hua, 2013-08-15 Routledge Introductions to Applied Linguistics is a series of introductory level textbooks covering the core topics in Applied Linguistics primarily designed for those beginning postgraduate studies or taking an introductory MA course as well as advanced undergraduates Titles in the series are also ideal for language professionals returning to academic study The books take an innovative practice to theory approach with a back to front structure This leads the reader from real world problems and issues through a discussion of intervention and how to engage with these concerns before finally relating these practical issues to theoretical foundations Additional features include tasks with commentaries a glossary of key terms and an annotated further reading section

Exploring Intercultural Communication investigates the role of language in intercultural communication paying particular attention to the interplay between cultural diversity and language practice This book brings together current or emerging strands and themes in the field by examining how intercultural communication permeates our everyday life what we can do to achieve effective and appropriate intercultural communication and why we study language culture and identity together The focus is on interactions between people from various cultural and linguistic backgrounds and regards intercultural communication as a process of negotiating meaning cultural identities and above all differences between ourselves and others Including global examples from a range of genres this book is an essential read for students taking language and intercultural communication modules within Applied Linguistics TESOL Education or Communication Studies courses

Remote Online Language Assessment: Eliciting Discourse from Children and Adults Natalia Gagarina, Angel Chan, Wenchun Yang, 2024-08-20 Being able to collect valid data is crucial for empirical science disciplines such as linguistics developmental psycholinguistics clinical psycholinguistics and speech and hearing sciences In recent years there has been an increasing use of digital devices for remote language assessments such as online elicitation of language samples apps for eliciting expressive and productive lexical abilities and online questionnaires With the ongoing COVID 19 pandemic still affecting many lives globally there have been numerous disruptions of face to face in person language assessments leading many researchers to conduct their language assessments online Despite the necessity of remote language assessments and the convenience they may bring to both assessors and assessees the potential merits limits and problems of remote testing

have not yet been systematically explored and understood This timely Research Topic seeks contributions that mobilize new evidence and or insightful and nuanced discussions to address questions such as can we control online testing so that it is as good as face to face in person testing and if so how Do we have evaluative evidence of such practices and if so how robust is the evidence What adaptations and concerns can and cannot be accommodated at the present time What opportunities are offered by recent technological advances Are there certain conditions in which online testing works better or worse Last but not least how do differences between offline in person language assessments and online remote assessments affect the results of testing The current topic has two main foci the first deals with the assessment of conversational discourse in general and narrative discourse in particular in both children and young adults Communicative competence at the discourse level has been considered an essential and ecologically valid component in language assessments of children and adults for three key reasons 1 this competence is crucial for an individual s everyday functioning and academic and social life 2 it provides information about an individual s socio cognitive and linguistic abilities and 3 it is a versatile test of language skills at the levels of content form use and their integration The second focus is on comparing the results elicited via in person assessments and remote online assessments This Research Topic welcomes empirical articles discussing new evidence perspective and opinion papers on issues at the conceptual methodological interface and methods articles presenting approaches that can offer opportunities for remote testing of developmental discourse supported by recent technological advances Potential themes may include but are not limited to comparisons of remote versus in person testing modes using a within participants research design learner variables such as age gender language status monolingual multilingual and clinical status typically developing children and adults children and adults with clinical conditions such as developmental language disorder autism spectrum disorder which may affect the efficacy of remote testing linguistic variables such as the use of referential and relational devices and mental state language which may be subject to more variations when being assessed remotely new methods that offer opportunities for the remote testing of developmental and adult discourse supported by recent technological advances articles addressing the same research question within developmental narrative discourse but using different i e either online or offline research methods *Subject Guide to Books in Print* ,1996

Unbridled William Robert,2022-02-14 A study of religion through the lens of Peter Shaffer s play *Equus* In *Unbridled* William Robert uses *Equus* Peter Shaffer s enigmatic play about a boy passionately devoted to horses to think differently about religion For several years Robert has used *Equus* to introduce students to the study of religion provoking them to conceive of religion in unfamiliar even uncomfortable ways In *Unbridled* he is inviting readers to do the same A play like *Equus* tangles together text performance practice embodiment and reception Studying a play involves us in playing different roles as ourselves and others and those roles as well as the imaginative work they require are critical to the study of religion By approaching *Equus* with the reader turning the play around and upside down *Unbridled* transforms standard approaches

to the study of religion engaging with themes including ritual sacrifice worship power desire violence and sexuality as well as thinkers including Judith Butler Sigmund Freud Karl Marx Friedrich Nietzsche and Jonathan Z Smith As Unbridled shows the way themes and theories play out in Equus challenges us to reimagine the study of religion through open questions contrasting perspectives and alternative modes of interpretation and appreciation
