The Gentleman Of Fifty:

The Gentleman of Fifty and The Damsel of Nineteen (An early uncompleted fragment) George Meredith, 2019-04-10

The Gentleman of Fifty George Meredith, 2020-09-28 Passing over Ickleworth Bridge and rounding up the heavily shadowed river of our narrow valley I perceived a commotion as of bathers in a certain bright space immediately underneath the vicar's terrace garden steps My astonishment was considerable when it became evident to me that the vicar himself was disporting in the water which reaching no higher than his waist disclosed him in the ordinary habiliments of his cloth I knew my friend to be one of the most absent minded of men and my first effort to explain the phenomenon of his appearance there suggested that he might have walked in the victim of a fit of abstraction and that he had not yet fully comprehended his plight but this idea was dispersed when I beheld the very portly lady his partner in joy and adversity standing immersed and perfectly attired some short distance nearer to the bank As I advanced along the bank opposed to them I was further amazed to hear them discoursing quite equably together so that it was impossible to say on the face of it whether a catastrophe had occurred or the great heat of a cloudless summer day had tempted an eccentric couple to seek for coolness in the directest fashion without absolute disregard to propriety I made a point of listening for the accentuation of the my dear which was being interchanged but the key note to the harmony existing between husband and wife was neither excessively unctuous nor shrewd and the connubial shuttlecock was so well kept up on both sides that I chose to await the issue rather than speculate on the origin of this strange exhibition I therefore as I could not be accused of an outrage to modesty permitted myself to maintain what might be invidiously termed a satyr like watch from behind a forward flinging willow whose business in life was to look at its image in a brown depth branches trunk and roots The sole indication of discomfort displayed by the pair was that the lady's hand worked somewhat fretfully to keep her dress from ballooning and puffing out of all proportion round about her person while the vicar who stood without his hat employed a spongy handkerchief from time to time in tempering the ardours of a vertical sun If you will consent to imagine a bald blackbird his neck being shrunk in apprehensively as you may see him in the first rolling of the thunder you will gather an image of my friend's appearance

The Gentleman of Fifty and the Damsel of Nineteen George Meredith, 2004-06 Dans la cinquantaine The reflection should produce a gravity in men Such a number of years will not ring like bridal bells in a man's ears I have my books about me my horses my dogs a contented household I move in the centre of a perfect machine and I am dissatisfied I rise early I do not digest badly What is wrong
