Kent Hughes, 2015-10-14 Pastors are tasked with the incredibly demanding job of caring for the spiritual emotional and at times physical needs of their people While seminary is helpful preparation for many of the challenges pastors face there's far more to pastoral ministry than what can be covered in the classroom Designed as a reference guide for nearly every situation a pastor will face this comprehensive book by seasoned pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches From officiating weddings to conducting funerals to visiting the sick this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks both within the walls of the church and beyond      **A Practical Guide for Life and Ministry** David Horner, 2008-03-01 Many books focus on how to grow a church and succeed as a pastor but few help clergy cope with the daily pressures they face in juggling the demands of ministry family and personal ambitions David Horner overturns the notion that pastors must accept disobedience in some aspects of life to thrive

in others Examining his thirty years of pastoral ministry Horner mines seven key challenges that pastors must face well in order to restore and maintain a healthy balance Church leaders and those who love them will find this book a practical and biblical guide that reinvigorates their calling
