The Heroine with 1001 Faces Maria Tatar,2021-09-14 World renowned folklorist Maria Tatar reveals an astonishing but long buried history of heroines taking us from Cassandra and Scheherazade to Nancy Drew and Wonder Woman The Heroine with 1 001 Faces dismantles the cult of warrior heroes revealing a secret history of heroism at the very heart of

our collective cultural imagination Maria Tatar a leading authority on fairy tales and folklore explores how heroines rarely wielding a sword and often deprived of a pen have flown beneath the radar even as they have been bent on redemptive missions Deploying the domestic crafts and using words as weapons they have found ways to survive assaults and rescue others from harm all while repairing the fraying edges in the fabric of their social worlds Like the tongueless Philomela who spins the tale of her rape into a tapestry or Arachne who portrays the misdeeds of the gods they have discovered instruments for securing fairness in the storytelling circles where so called women s work spinning mending and weaving is carried out Tatar challenges the canonical models of heroism in Joseph Campbell s *The Hero with a Thousand Faces* with their male centric emphases on achieving glory and immortality Finding the women missing from his account and defining their own heroic trajectories is no easy task for Campbell created the playbook for Hollywood directors Audiences around the world have willingly surrendered to the lure of quest narratives and charismatic heroes Whether in the form of Frodo Luke Skywalker or Harry Potter Campbell s archetypical hero has dominated more than the box office In a broad ranging volume that moves with ease from the local to the global Tatar demonstrates how our new heroines wear their curiosity as a badge of honor rather than a mark of shame and how their mischief making evidences compassion and concern From Bluebeard s wife to Nancy Drew and from Jane Eyre to Janie Crawford women have long crafted stories to broadcast offenses in the pursuit of social justice Girls too have now precociously stepped up to the plate with Hermione Granger Katniss Everdeen and Starr Carter as trickster figures enacting their own forms of extrajudicial justice Their quests may not take the traditional form of a hero s journey but they reveal the value of courage defiance and above all care By turns dazzling and chilling Ruth Franklin *The Heroine with 1 001 Faces* creates a luminous arc that takes us from ancient times to the present day It casts an unusually wide net expanding the canon and thinking capaciously in global terms breaking down the boundaries of genre and displaying a sovereign command of cultural context This then is a historic volume that informs our present and its newfound investment in empathy and social justice like no other work of recent cultural history *Tales of Female Heroism* ,1856

Female Warriors Ellen C. Clayton,2018-09-20 Reproduction of the original *Female Warriors* by Ellen C Clayton *The Giant Hero in Medieval Literature* Tina Marie Boyer,2016-05-18 In *The Giant Hero in Medieval Literature* Tina Boyer counters the monstrous status of giants by arguing that they are more broadly legible than traditionally believed Building on an initial analysis of St Augustine s *City of God* Bernard of Clairvaux s deliberations on monsters and marvels and readings in Tomasin von Zerclaere s *Welsche Gast* provide insights into the spectrum of antagonistic and heroic roles that giants play in the courtly realm This approach places the figure of the giant within the cultural and religious confines of the twelfth and thirteenth centuries and allows an in depth analysis of epics and romances through political social religious and gender identities tied to the figure of the giant Sources range from German to French English and Iberian works *Giant Killers* Dennis Jernigan,2009-02-04 Worship leader Dennis Jernigan opens his heart to help you overcome the persistent problems in

your life Persistent sins Troublesome fears Powerful addictions Is there any hope of overcoming these giants that keep us from experiencing God's freedom Dennis Jernigan enthusiastically answers Yes And he shares his personal story to show how God has helped him overcome the giants in his life In Giant Killers you'll meet Goliath and other giants in the Bible that represent overwhelming problems that plague everyone fear discouragement shame and more And you'll discover five God-given stones that when fired from a sling are sure to fell these giants Having overcome homosexuality a behavior pattern many consider unchangeable Dennis Jernigan speaks with authority on the subject of defeating spiritual enemies Through his inspiring devotional approach you'll draw closer to God the source of all power for victory
