make the book ideal for small group studies **Perfect Will Of God** G Christian Weiss,2013-01-11 What is God's plan for my life is perhaps the most difficult question a Christian can raise The Perfect Will of God provides constructive guidelines for those needing help in this area In fifteen provocative chapters the reader discovers God has a definite plan for every believer It is possible to miss that plan God earnestly desires to reveal His will There are prerequisites to knowing God's will God provides three sources of guidance Mr Weiss has written earnestly and clearly There is no guesswork here nor are there any strange and fanciful utterances He has developed his theme constructively and intelligently His points are scripturally treated and effectively emphasized Much is said in few words yet with sufficient elucidation to drive home the teaching expounded The chapters are helpfully divided and the references and quotations from the Scriptures are numerous and fitting W S Hottel in the Foreword **Monthly Journal of Insurance Economics** ,1918 **The Spacious Path** Tamara Hill Murphy,2023-06-20 A simple invitation into a life ordered around listening and love As we live through cycles of change and disruption our familiar pathways crumble and we find ourselves in fragmented relationships with God others and our own souls We are not the first to experience this disorientation When Jesus offered the stunning invitation to come to him to learn how to work from a place of rest he was talking to people weighed down by ill fitting political economic and religious systems And his life and ministry offer a glimpse of a better way For centuries a practice called the Rule of Life built around rhythms of prayer work study hospitality and rest has provided a loving pathway for anyone who desires to live out the whole gospel More than a historic primer on an ancient practice an aspirational overview of spiritual life or a personal inventory focused on habits The Spacious Path offers companionship through personal narrative meaningful reflection and guided prayer for readers to return to as often as needed Rediscover an ancient Christian practice to reorient your life around the unforced rhythms of Jesus not by adding another ill fitting system but by walking freely and lightly on the pathways of listening and love in the way of Jesus **The English Hexapla, Exhibiting the Six Important English Translations of the New Testament Scriptures, Wiclif, M.CCC.
