**A Family of Good Women** Teddy Jones,2025-09-09 What is the true meaning of family Imogene Good finds herself wrestling with this question when still grieving her mother's death she abandons a promising teaching career to open a boarding house in the near lawless oil boomtown of Borger Texas Alone The business thrives love arrives in the form of mysterious Texas Ranger and Imogene takes in a stray dog and a runaway cousin from the Good family farm in East Texas But months later as fatigue mounting threats and violence against her business threatens to overwhelm her she finds refuge in the contents of a trunk she carted to town after her mother's death In it Imogene finds secrets about the women who raised her that changes her life and her understanding of family Can the Good women build a new life from the ashes of hardship on the inhospitable plains of the 1920s Texas Panhandle Inspired by historical events A Family of Good Women is a compelling tale of inner strength the bonds of family and the power of the human spirit      **Raised by a Nine-Year Old King:** Hezekiah Nevels,2011-08-31 This story is about a nine year old boy given the opportunity to live on the streets of Philadelphia He had to grow up through the most chaotic times in the history of America Jim crow Vietnam War Gang Wars Four assassinations John F Kennedy Jr Martin L King Jr Bobby Kennedy and Malcolm X Civil Rights Movement Race riots the Love and Peace movement Sex and Drugs Revolution and Motown and Rock Roll Music revolution There were a lot of grown ups who did not survive those times It's very interesting how this nine year old found his way through forty something years of fear horror torture sex drugs people places and things Though the grace of GOD he is still keep keeping on This is the first book of a five part series Series number one Raised By A Nine Year Old King The four other series are not titled as of yet Please understand that this book was written with a lot of emotion What I went through to get the words out was so devastating It took a lot out of me to recall those moments of time I literally had to relive those moments of pain horror fear and torture Some of those times were not as bad as others but it was hard to do just the same This first book is about a boy caught up in time A time he never under stood This boy was pushed to grow up a at time in his life when he had no understanding of what he was about to go through Everything came fast untimed and shocking He was shot out into life with no warning and no skills He had to learn by trail and era He is still carrying those traits with him today after over forty years He grew up and became a man with the absence of that little boy who never got a chance to experience what it would have

been like to be one He was always forcing his self to go through the elements of life always fighting hoping and praying Today I can say he survived by the skin of his teeth The interesting thing about his survival is what who and how he went through these forty something years In the series to come you will learn about how he evolved through those trying years This boy live a life that proves that when you are walking in the sand and one moment you look down and see two pairs of foot prints in the sand and for forty years of walking in that sand you only see one pair of foot steps You know that you were carried through all those years For that I am surely blessed I know that I could not have walked through those forty years on my own I stated earlier this boy had no warning and no skills Thank GOD for GOD Moore's Rural New-Yorker ,1921
