he said it made his mouth water I cannot bear said he to see them going out at the door carrying their little parcels I have the same feeling about rats replied Pickles but it would never do to eat our own customers they would leave us and go to Tabitha Twitchit s On the contrary they would go nowhere replied Ginger gloomily Tabitha Twitchit kept the only other shop in the village She did not give credit Ginger and Pickles gave unlimited credit Now the meaning of credit is this when a customer buys a bar of soap instead of the customer pulling out a purse and paying for it she says she will pay another time And Pickles makes a low bow and says With pleasure madam and it is written down in a book The customers come again and again and buy quantities in spite of being afraid of Ginger and Pickles But there is no money in what is called the till The customers came in crowds every day and bought quantities especially the toffee customers But there was always no money they never paid for as much as a pennyworth of peppermints But the sales were enormous ten times as large as Tabitha Twitchit s As there was always no money Ginger and Pickles were obliged to eat their own goods Pickles ate biscuits and Ginger ate a dried haddock They ate them by candle light after the shop was closed When it came to Jan 1st there was still no money and Pickles was unable to buy a dog licence It is very unpleasant I am afraid of the police said Pickles It is your own fault for being a terrier I do not require a licence and neither does Kep the Collie dog It is very uncomfortable I am afraid I shall be summoned I have tried in vain to get a licence upon credit at the Post Office said Pickles The place is full of policemen I met one as I was coming home Let us send in the bill again to Samuel Whiskers Ginger he owes 22 9 for bacon I do not believe that he intends to pay at all replied Ginger And I feel sure that Anna Maria pockets things Where are all the cream crackers You have eaten them yourself replied Ginger
