Kipling Considered Phillip Mallett, 1989-09-12 *TRUE GHOST STORIES & PARANORMAL AND GHASTLY TALES FROM BEYOND* ANDY KUNZ, 2023-07-16 The Anthology Horror short stories compiled in this Volume are based on Real Experience and stories of real people The names used in the stories are names of real person who are either deceased or have survived a violent event or situation Some changed their name as requested for whatever reason it might serve them If I am going down a creepy road at night I would rather be riding a car rather than on foot It makes me feel a lot safer and moves around quicker It doesn't mean you are always safe though Sometimes unexplained or just something paranormal are waiting to happen There is a term for such a phenomenon the appearance in consciousness of memory images which are not recognize as such but appear as real Sleep seems like a simple human rights does it not Like eating and clothing the body If you are hungry and came to me for food would I hesitate to give it to you Of course not If you have nothing to wear would I not give you something of my own Certainly I would But if you needed sleep a few hours of precious oblivion how could I help

you I couldn't and there is nothing I can do about it We live in a changing times that we fear tomorrow more than yesterday What's to come next Will be annihilated in our bed Will we die from sleep paralysis Will the ghost that had come with this book never leave you again Is there any way ever living in peace ever again Who can save us or the end is inevitable

Imperium of the soul Norman Etherington, 2017-03-01 Some of the most compelling and enduring creative work of the late Victorian and Edwardian Era came from committed imperialists and conservatives Their continuing popularity owes a great deal to the way their guiding ideas resonated with modernism in the arts and psychology The analogy they perceived between the imperial business of subjugating savage subjects and the civilised ego's struggle to subdue the unruly savage within generated some of their best artistic endeavours In a series of thematically linked chapters *Imperium of the soul* explores the work of writers Rudyard Kipling Joseph Conrad Rider Haggard and John Buchan along with the composer Edward Elgar and the architect Herbert Baker It culminates with an analysis of their mutual infatuation with T E Lawrence Lawrence of Arabia who represented all their dreams for the future British Empire but whose ultimate paralysis of creative imagination exposed the fatal flaw in their psycho political project This transdisciplinary study will interest not only scholars of imperialism and the history of ideas but general readers fascinated by bygone ideas of exotic adventure and colonial rule

Critical Tales John D. Lyons, Mary B. McKinley, 2016-11-11 Appearing in print for the first time in 1558 the book that we now know as the *Heptameron* is the work of Marguerite Queen of Navarre Left incomplete but dearly modeled on Boccaccio's *Decameron* the *Heptameron* consists of a frame narrative and seventy two tales told by five men and five women characters in the shady meadow at Notre Dame de Sarrance As John D Lyons and Mary B McKinley contend in their introduction to this volume the tales of the *Heptameron* portray the conflicts ruptures and upheavals that agitated early modern French society They present a forum in which different elements of Renaissance and Reformation culture meet and at times collide Contradictory suppositions about men and women are easily discerned behind almost all of the stories and the discussions among the fictional storytellers represent attitudes both feminist and misogynist masculinist and misandrous Less oppositional are the religious conflicts among the storytellers some are less ardently religious while others are concerned with the corporeal rather than the spiritual The stories of the *Heptameron* are often cautionary tales about the corruption of the late medieval church about decadent priests and monks or about the unfortunate faithful whose belief in the efficacy of good works for salvation leads to disaster and death The conflicts of the Reformation loom over the *Heptameron* not just as the origin of its ideological tensions but also as a prominent symptom of the larger related disruptions that marked sixteenth century Europe Provocative and wide ranging appealing to specialists in numerous fields *Critical Tales* is the first collective volume of studies in English on the *Heptameron* The authors Robert D Cottrell Hope

Glidden Marcel Tetel Donald Stone Tom Conley Michel Jeanneret Cathleen M Bauschatz Fran ois Cornilliat and Ullrich Langer Mary B McKinley Philippe de Lajarte Andre Tournon Daniel Russell Fran ois Rigolot Paula Sommers and Edwin M Duval present different approaches to Marguerite de Navarre's tales dealing with such topics as confession rape the impact of printing on knowledge and narrative narrative theory and androgyny The contributors to *Critical Tales* like the storytellers of the *Heptameron* are not afraid to challenge the critical establishment and one another The book will be of interest to students and scholars of French and comparative literature and women's studies

Paranoid Modernism David Trotter, 2001 Seeking reasons for modernism's compulsion to experiment this book explores contemporary definitions of paranoia and its examination through fiction
