have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *A Collection of Old Testament Stories - REPRINT* McKinley Wells,2024-03-23 This book is written in hopes that it would be a tool alongside your bible when studying the Word of God I hope that it enhances your study and your growth in relationship to God and the Church I ve noticed that some teachers and preachers do not use an Old Testament story in their presentation instead they use only New Testament verses of Scripture Perhaps the Old Testament stories appear too long or difficult for hearers to understand But in this book I have made it easy to read about the Old Testament stories Like in my first book written in 2014 entitled All the Miracles of Jesus from the New Testament each story in this collection of Old Testament stories is short and written in easy language for the reader to understand In reading this book you will find that God has given us lots of interesting stories in the Old Testament of the Holy Bible It is my hope that you will discover a new love for the written Word of God in the Old Testament and that you will always have a collection of the Old Testament stories in your possession God Bless You Elder McKinley Wells **Tales From The Old Testament** ,2017-05-30 An exciting introduction to the people and events of the Bible from beloved storyteller Jim Weiss Features non denominational portraits of biblical characters as caring understandable humans facing extraordinary situations The Illustrated Bible Story Book ,1947 **Greatest Book Ever Written** Fulton Oursler,1955 **Mother Stories from the Old Testament** Anonymous,2022-09-04 In Mother Stories from the Old Testament readers are treated to a collection of carefully curated narratives drawn from the rich tapestry of religious heritage that constitute the Old Testament While the text adheres to the scriptural essence it is distilled into bite sized accessible stories designed for mothers to narrate to their children Its literary style is marked by simplicity and clarity effectively preserving the profound moral and ethical insights of the original texts while also serving as a pedagogical tool for imparting timeless values The work stands within the broader literary context as an educational resource designed to bridge the generational gap and bring these enduring stories to an audience yearning for spiritual and moral guidance The anonymous author whose identity remains obscured perhaps to highlight the universality and collective ownership of these ancient stories has woven an anthology that resonates with familial warmth and instructional intent The selection and reworking of these Old Testament stories suggest not only a deep familiarity with the source material but also a purposeful commitment to sharing its wisdom in a format compatible with young minds This endeavor aligns with the ethos of DigiCat Publishing which aims to honor the legacy of classic literature by presenting it anew to contemporary audiences Recommended for parents and educators alike Mother Stories from the Old Testament emerges as a significant literary artifact insofar as it serves a dual role it is both a work of spiritual literature and a tool for nurturing the ethical moral and cultural development of the young Its timeless stories when told by a mother s voice become more than just tales of old they transform into life lessons suffused with love making this book a precious addition to any family s library *Signs and Wonders* Bernard Evslin,2012-10-30 Entertaining

thought provoking depictions of classic Bible stories Renowned mythologist Bernard Evslin finds a powerful balance of tradition and modernity in his strongly realized retellings of Old Testament stories His rendition reflects the literary style of the King James Bible and stays true to the Old Testament worldview and spirit but also uses streamlined descriptions and dialogue to balance the archaic language that can deter contemporary readers Here you ll find fresh versions of the iconic stories of Adam and Eve Lot s daughters Jacob s ladder David and Goliath Rebecca at the well the twin brothers Jacob and Esau and more in a style that engages both the senses and the imagination **Old Testament Stories of Faith and**
