Reason and Persuasion John Holbo, 2016-01-09. Three complete Plato dialogues: Euthyphro, Meno, Republic Book I in a fresh English translation with extensive commentary and original illustrations. Reason and Persuasion is suitable as an introductory textbook or for more advanced students of Plato and philosophy. The fourth edition is substantially revised, extended, and improved. There is no dearth of textbooks offering an introduction to Plato's thought, but Holbo's stands apart in the scope of its introductory material and its user-friendly style. The colloquial yet accurate translation by Belle Waring serves to reduce the distance between the student and the world of the dialogues. Holbo's commentaries on these three dialogues serve to situate them both as individual works and also as parts of Plato's overall project of showing the problems of persuasion divorced from reason. Rather than taking a strictly scholarly approach, the author has made clear the relevance of these texts for questions even non-philosophers should find worth asking. For instructors seeking an introductory text for first-time readers of Plato, Holbo's book is worthy of consideration. Notre Dame Philosophical Reviews review of the 3rd edition.

An Ethical Approach to Ending Recidivism Michael A. Gray M.A.Ed., 2015-12-28. Law enforcement in a free society must strike a delicate balance between protecting individual rights to professional service especially from government-sponsored agencies and the society's interest in professional ethical decision making by law enforcement professionals. Often this is seen as one between a principal defense of civil rights and a mere Unitarian interest in improving the continuity of customer service. There is no certain place to fix the line between appropriate and impermissible correctional officer and custody staff professional conduct. What is most conspicuous about this area of ethics in the Department of Corrections is the lack of controlling standards for defining the roles of correctional officers and custody staff. The purpose of the Correctional Leadership and Ethics Training is to prevent breaches of the peace, enforce the laws, directives, and regulations which govern the correctional institutions to protect its employees, the facilities, its assets, and the nation's currency which function in synchronization. Trainees will be able to consult a menu of techniques and be encouraged to contribute ideas of their own.

An Outline of a Theory of Civilization Yukichi Fukuzawa, 2009-10-07. Yukichi Fukuzawa rose from low samurai origins to become one of the finest intellectuals and social thinkers of modern Japan. Through his best-selling works, he helped transform an isolated feudal nation into a full-fledged international force. In *Outline of a Theory of Civilization*, the author's

most sustained philosophical text Fukuzawa translates and adapts a range of Western works for a Japanese audience establishing the social cultural and political avenues through which Japan could connect with other countries Echoing the ideas of Western contemporaries such as Ralph Waldo Emerson and Walt Whitman Fukuzawa encouraged a grassroots elevation of the individual and national spirit as well as free initiative in the private domain Fukuzawa's bold project articulated thoughts that for him bolstered the material evidence of Western civilization He argued that the essential difference separating Western countries from Japan and Asia was the extent to which citizens acted like free and responsible individuals This careful new translation accompanied by a comprehensive critical introduction highlights the truly transnational aspects of *Outline of a Theory of Civilization* and its status as a foundational text of modern Japanese civilization Approaching Fukuzawa's progressive thought with a fresh eye these scholars elucidate the monumental and peerless quality of his work **The Family Herald** ,1861 **The Athenaeum** ,1867 **Congressional Record** United States Congress,1965 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789 1824 the *Register of Debates in Congress* 1824 1837 and the *Congressional Globe* 1833 1873 *The Independent* ,1878
