Cultural Models in Language and Thought Dorothy Holland, 1987-01-30 A multidisciplinary collaboration exploring the role of cultural knowledge in everyday language and understanding

The Interview Jonathan Skinner, 2020-06-03 What are new interview methods and practices in our new interview society and how do they relate to traditional social science research This volume interrogates the interview as understood used and under used by anthropologists It puts the interview itself in the hotseat by exploring the nature of the interview interview techniques and illustrative cases of interview use What is a successful and representative interview How are interviews best transcribed and integrated into our writing Is interview knowledge production safe ethical and representative And how are interviews used by anthropologists in their ethnographic practice This important volume leads the reader from an initial scrutiny of the interview to interview techniques and illustrative case studies It is experimental innovative and covers in detail matters such as awkwardness silence and censorship in interviews that do not feature in general interview textbooks It will appeal to social scientists engaged in qualitative research methods in general and anthropology and sociology students using interviews in their research and writing in particular

The Ordinary & The Extraordinary Frank N Pieke, 2012-11-12 First Published in 1996 This study is the outcome of eight months fieldwork in Beijing the capital of the People's Republic of China PRC from 8 November 1988 to 17 June 1989 The original purpose of the fieldwork had been to acquire a grass roots perspective on the dynamics of Chinese state socialist society under the impact of ten years of reform This was extended to include People's Movement The central questions this book therefore tries to answer are how can these two different fieldwork experiences be reconciled with each other and what do they tell us about the dynamics of Chinese culture and society

Master Musicians of India Regula Burckhardt Qureshi, 2016-05-06 Beginning with Ravi Shankar and Ali Akbar Khan Indian art music is renowned internationally for its improvised raga performance This ancient tradition has for centuries been transmitted orally within the seclusion of hereditary families Few such families remain today and not enough is known about their central contribution to the life of Indian music Master Musicians of India reveals this rich world through profiles and interviews of key musicians from this tradition

The Ordinary and the Extraordinary Frank N. Pieke, 1996 Ideology and practice had increasingly little to do with each other and a deeply felt moral crisis of society was the result

Iraqi women in Denmark Marianne Holm Pedersen, 2015-11-01 Iraqi women in Denmark is an ethnographic study of ritual performance and place making among Shi'a Muslim Iraqi women in Copenhagen The book explores how Iraqi women construct a sense of belonging to Danish society through ritual performances and investigates how this process is interrelated with their experiences of inclusion and exclusion in Denmark The findings refute the all too simplistic assumptions of general debates on Islam and immigration in Europe that tend to frame religious practice as an obstacle to integration in the host society In sharp contrast to the fact that the Iraqi women's religious activities in many ways contribute

to categorising them as outsiders to Danish society their participation in religious events also localises them in the city

Written in an accessible narrative style this book addresses both an academic audience and the general reader interested in Islam in Europe and immigration to Scandinavia **Step Dancing in Ireland** Catherine E. Foley,2016-04-01 For many people step dancing is associated mainly with the Irish step dance stage shows Riverdance and Lord of the Dance which assisted both in promoting the dance form and in placing Ireland globally But in this book Catherine Foley illustrates that the practice and contexts of step dancing are much more complicated and fluid Tracing the trajectory of step dancing in Ireland she tells its story from roots in eighteenth century Ireland to its diverse cultural manifestations today She examines the interrelationships between step dancing and the changing historical and cultural contexts of colonialism nationalism postcolonialism and globalization and shows that step dancing is a powerful tool of embodiment and meaning that can provoke important questions relating to culture and identity through the bodies of those who perform it Focusing on the rural European region of North Kerry in the south west of Ireland Catherine Foley examines three step dance practices one the rural Molyneaux step dance practice representing the end of a relatively long lived system of teaching by itinerant dancing masters in the region two Rinceoir na R ochta a dance school representative of the urbanized staged competition orientated practice cultivated by the cultural nationalist movement the Gaelic League established at the end of the nineteenth century and practised today both in Ireland and abroad and three the stylized commoditized folk theatrical practice of Siamsa T re the National Folk Theatre of Ireland established in North Kerry in the 1970s Written from an ethnochoreological perspective Catherine Foley provides a rich historical and ethnographic account of step dancing step dancers and cultural institutions in Ireland **Cultural Compatibility in Educational Contexts** Kumi Kato,2010-02-23 Cultural Compatibility in Educational Contexts examines the mechanism of control and efficacy underlying specific cultural contexts intercultural value differences and consequential conflicts which invisibly and unintentionally cause communication difficulties and negative performances This specific study centers on Japanese language classrooms in Australia taught by native Japanese speakers Comparative studies were carried out in classrooms in both Japan and Australia and identified specific teaching strategies perceived to be effective in each cultural context The book concludes by asserting that the notion of culture in the educational context goes beyond ethnic and linguistic differences an awareness of cultural compatibility should be recognized as one of the professional responsibilities of all educators This is particularly relevant to multicultural societies such as Australia where both teaching and learning populations are increasingly diverse as well as being applicable to other social contexts **The SAGE Handbook of Qualitative Research** Norman K. Denzin (ed),Yvonna S. Lincoln,2005 A thoroughly revised updated edition this volume includes new chapters on auto ethnography critical race theory queer theory testimonies **Selected References, in English, on the Ethnology of the Indians of Mexico, Central and South America** ,1981 **The Routledge Companion to Anthropology and Business** Raza Mir,Anne-Laure Fayard,2020-06-11 Interest in anthropology

and ethnography has been an ongoing feature of organizational research and pedagogy this book provides a key reference text that pulls together the different ways in which anthropology infuses the study of organizations both epistemologically and methodologically The volume hosts key scholars and experts within the fields of Organizational Anthropology Organizational Ethnography Organizational Studies and Qualitative Research The book provides a combination of methodological guidelines exemplars and epistemological reflection It includes methodological viewpoints ethnographic journeys within organizations as well as beyond organizations and individual reflections on challenges faced by organizational ethnographers This book is aimed at PhD master and advanced undergraduate students and researchers across disciplines especially those who are engaged with general management organizational behaviour strategy and anthropological ethnographic issues **Romance on a Global Stage** Nicole Constable,2003-09-18 Publisher Description

A Handbook for Social Science Field Research Ellen Perecman,Sara R. Curran,2006-01-24 A Handbook for Social Science Field Research Essays as well as a perfect lightweight handbook for all researchers and professionals interested in having a comprehensive collection of bibliographic information for social science research Anthropology: The Basics Peter Metcalf,2006-05-02 Peter Metcalf explains and explores anthropological ideas key anthropologist thinkers concepts and themes and the history of anthropological ideas **The Ethics of Anthropology** Pat Caplan,2004-03-01 Since the inception of their discipline anthropologists have studied virtually every conceivable aspect of other peoples morality religion social control sin virtue evil duty purity and pollution But what of the examination of anthropology itself and of its agendas epistemes theories and praxes In 1991 Raymond Firth spoke of social anthropology as an essentially moral discipline Is such a view outmoded in a postmodern era Do anthropological ethics have to be re thought each generation as the conditions of the discipline change and as choices collide with moral alternatives The Ethics of Anthropology looks at some of these crucial issues as they reflect on researcher relations privacy authority secrecy and ownership of knowledge The book combines theoretical papers and case studies from eminent scholars including Lisette Josephides Steven Nugent Marilyn Silverman Andrew Spiegel and Veronica Strang Showing how the topic of ethics goes to the heart of anthropology it raises the controversial question of why and for whom the anthropological discipline functions
