Colonial Churches in the Original Colony of Virginia ,1908 The Colonial Churches of St. Thomas' Parish Orange County, Virginia

Lizabeth Ward Papageorgiou, 2008 St Thomas Parish in Virginia was formed from St Mark s Parish in 1740 The new parish encompassed present day Orange Greene and a strip of southern Madison counties Based on an extensive examination of primary sources the work at hand is the first accurate description of the formation of St Thomas Parish its member churches its ministers and others who played a significant part in its colonial history In the absence of surviving vestry books for St Thomas Parish or even an accurate map of the parish the author was able to extract valuable information pertaining to St Thomas Parish from the surviving vestry books of the neighboring parishes of St Mark s and St George s However as Mrs Papageorgiou explains in her Preface Spotsylvania and Orange County road orders comprise the backbone of her study The road orders for the construction and maintenance of roads as recorded in county court order books provide evidence to the existence of churches and chapels throughout the parish The road orders value to the genealogist is that they identify the overseers and work crews assigned to maintain the road and any bridges along it So for example the road orders tell us that between November 1 1726 and April 2 1734 John Rucker Thomas Jackson Joseph Hawkins Abraham Bledsoe Henry Downes John Davis and George Eastham all served as overseers of roads near Southwest Mountain Chapel in St Thomas Parish This work is an excellent example of historical reconstruction The Introduction explains how when and why St Thomas was established from its parent and grandparent parishes St Mark s and St George s Next the author uses the road orders and other sources to pinpoint the timing and location of each of the following places of worship Germana Church Southwest Mountain Chapel Southwest Mountain Church Upper Chapel St Thomas Parish Upper Church Middle Brick Church Pine Stake Church and New Orange Church Mrs Papageorgiou has also appended a number of important court orders at the back of the volume The third chapter gives the tenure of every parish minister and his family members The final chapter recounts how previous writers notably Bishop William Meade and Philip Slaughter have recorded the history of St Thomas Parish and where more often than not they went astray Students of Virginia church history will welcome the comprehensive bibliography that follows the appendices
