Introduction to Scientific Guitar Design Donald Brosnac,1978

Directory of Contemporary American Musical

Instrument Makers Susan Caust Farrell,1981 This unique reference book is a compendium of makers and manufacturers of every variety of musical instrument made in the United States today It provides names and addresses of instrument makers indexed alphabetically Each entry gives all known information on the total and annual number of instruments the maker has produced the number of workers in the shop the year the individual or firm began manufacturing instruments whether the instruments are available on demand or made to order and whether a brochure is available from the maker Complete cross references are provided for companies known by more than one name for partnerships and for parent and subsidiary firms Instruments are also indexed and makers are listed by state for the convenience of the reader Lists of schools of instrument making and relevant organizations and publications are included as appendixes The directory will serve two major purposes First it will be an invaluable source of information for historians and for the rapidly growing number of collectors of musical instruments who will be able to use the data gathered here in appraising instruments and tracing their history The second purpose is simply to increase communication among instrument makers and to make their names available to retail and wholesale outlets for their products

Guitar Cultures Andy Bennett,Kevin Dawe,2020-05-18 The guitar is one of the most evocative instruments in the world It features in music as diverse as heavy metal blues indie and flamenco as well as Indian classical music village music making in Papua New Guinea and carnival in Brazil This cross cultural popularity makes it a unique starting point for understanding social interaction and cultural identity Guitar music can be sexy soothing melancholy or manic but it nearly always brings people together and creates a common ground even if this common ground is often the site of intense social cultural economic and political negotiation and contest This book explores how people use guitars and guitar music in various nations across the world as a musical and symbolic basis for creating identities In a world where place and space are challenged by the pace of globalization the guitar provides images sounds and styles that help define new cultural territories Guitars play a crucial part in shaping the commercial music industry educational music programmes and local community atmosphere Live or recorded guitar music and performance collecting and manufacture sustains a network of varied social exchanges that constitute a distinct cultural milieu Representing the first sustained analysis of what the guitar means to artists and audiences world wide this book demonstrates that this seemingly simple material artefact resonates with meaning as well as music
