Close to Home Vandana Shiva, 2014-01-14 It is 20 years since environmental issues were first put on the international agenda at the Stockholm Conference and concern for planetary survival has shifted from desertification to acid rain to ozone depletion to biodiversity The official responses to all the various crises however has largely been one of offering technological and managerial fixes which often fail to address or solve the basic ecological issues Genuine viable improvements can only be implemented at ground level by those most strongly affected by the problem Because of their location on the fringes and their traditional role in providing sustenance it is women who are often able to offer ecological insights that are deeper and richer than the technocratic recipes of international experts or the responses of men in their own societies *Close to Home* emphasises that the environment is not some distant concern but one that affects the health and well being of communities on a daily basis For women the environment is the place in which we live The contributions in this book edited by Vandana Shiva show how women worldwide are taking action at grass roots level battling toxic wastes low level radiation and biotechnology in the struggle for truly sustainable community development [Movement Disorders: New Insights for the Healthcare Professional: 2013 Edition](#), 2013-07-22 *Movement Disorders New Insights for the Healthcare Professional 2013 Edition* is a ScholarlyPaper that delivers timely authoritative and intensively focused information about Additional Research in a compact format The editors have built *Movement Disorders New Insights for the Healthcare Professional 2013 Edition* on the vast information databases of ScholarlyNews You can expect the information about Additional Research in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of *Movement Disorders New Insights for the Healthcare Professional 2013 Edition* has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> *The Vandana Shiva Reader* Vandana Shiva, 2015-01-27 The pioneering environmental activist presents her most influential writings with an informative introduction by Wendell Berry Motivated by agricultural devastation in her home country of India Vandana Shiva became one of the world s most influential environmental and anti globalization activists Her groundbreaking research has exposed the destructive effects of monocultures and commercial agriculture and revealed the links between ecology gender and poverty In *The Vandana Shiva Reader* Shiva assembles her most influential writings combining trenchant critiques of the corporate monopolization of agriculture with a powerful defense of biodiversity and food democracy This essential collection demonstrates the full range of Shiva s research and

activism from her condemnation of commercial seed technology genetically modified organisms GMOs and the international agriculture industry's dependence on fossil fuels to her tireless documentation of the extensive human costs of ecological deterioration. This important volume illuminates Shiva's profound understanding of both the perils and potential of our interconnected world and calls on citizens of all nations to renew their commitment to love and care for soil, seeds, and people.

Official Handbook of the AAU Code Amateur Athletic Union of the United States, 1928 *1 + 1 = One* Ken de Koning, 2025-01-03 **WHY ANOTHER MARRIAGE BOOK** There was need for a book with short practical chapters with assignments and suggested prayers so that people could read for a little while and grab hold of something that they could apply to their marriage right away. The chapters needed to be short enough that husband and wife could read it together without too much inconvenience, enjoy the time together, and even discuss the content of the chapters. The fact that the lessons are so practical and therefore immediately applicable is huge. The assignments give direction as to the application. Then the icing on the cake for the husband and wife to pray out loud what is suggested at the end of each chapter brings a real sense of honesty before each other and before the Lord.
