Steve Young Story:

The Steve Young Story Laury Livsey, 1996-08-27 Despite being the highest ranked passer in the National Football League in 1992 and 1993 San Francisco 49er quarterback Steve Young was tagged a loser when the 49ers failed to win the Super Bowl during both campaigns But Young persevered and with an unwavering belief in his talents and a will to win that is second to none he realized his quest for a Super Bowl ring in 1994 when the 49ers crushed the San Diego Chargers 49-23 in Super Bowl XXIX For years Young toiled in the shadow of his legendary predecessor Joe Montana who led the 49ers to four Super Bowl victories as the pre eminent team of the 1980s But Super Bowl XXIX was Young's time to shine He earned Most Valuable Player honors for throwing six touchdowns in the game but more important he etched his name forever in the annals of football history Despite the odds a new legend was born This is Steve Young's story Steve Young has encountered seemingly insurmountable challenges at every step of his football career As a freshman at Brigham Young University he was the Cougars eighth string quarterback After working his way into a starting role Young had the dubious honor of living up to the legacy of BYU passing legend Jim McMahon Following BYU Young signed with the Los Angeles Express of the fledgling United States Football League but the league folded after a handful of mediocre seasons His next team the Tampa Bay Buccaneers were perennial doormats in the National Football League When he finally signed with the competitive and respected San Francisco 49ers Young was relegated to a backup role behind Joe Montana then considered the greatest NFL quarterback ever When at last he replaced Montana in the 49er lineup the media and 49er fans forced Young to live in his predecessor's shadow Though under continuous pressure Young never lost touch with his own identity Whether scrambling to avoid the clutches of blitzing linebackers or trying to live up to impossible expectations placed on him by 49er fans Young remained devoted to community religion and his fierce desire to succeed Young's focus and tenacity culminated in his legendary performance in Super Bowl XXIX After a long wait Steve Young finally emerged on top Against all odds he became the quintessential hero a man millions of fans respect and admire This is the story of his triumph About the Author Laury Livsey is a writer and editor in Salt Lake City where he lives with his wife and two children His articles have appeared in numerous national magazines and newspapers QB Steve Young, Jeff Benedict, 2024-03-19 Steve Young is a hero of mine His perseverance intelligence and most of all grace under pressure NFL style make this book a fascinating read Tom Brady In the most candid and compelling sports memoir since Andre Agassi's riveting bestseller Open former San Francisco 49er Super Bowl champion NFL MVP and Hall of Famer Steve Young gives readers an unprecedented and stunning inside look at what it takes to become a super elite professional quarterback Steve Young produced some of the most memorable moments in NFL history But his most impressive victories have been deeply personal ones that were won when no one was watching His remarkably revealing memoir is the story of a Mormon boy with a 4.0 GPA a photographic memory and a severe case of childhood separation anxiety As an eighth string quarterback at Brigham Young University it was doubtful that he would ever

see any playing time But Young became an All American finished second in the Heisman voting and was the top draft choice out of college Then after signing the largest contract in sports history anxiety nearly drove him to walk away from football completely In short Young s quest in life was always about grit Now he shares the experience of being inside his helmet while he faces down his toughest adversaries both on and off the field This book is gold Peter King Intense San Francisco Chronicle Young s battles with anxiety make you forget you are reading about a Hall of Famer and make you root for him at every turn This is a revealing honest compelling book that any fan will enjoy Michael Rosenberg senior writer Sports Illustrated
