The Hearing Ear Learning To Listen To God:

The Hearing Ear Larry Lea,1993-03-02 Put God's Word into action with the easy to share King James Version Holy Bible

The Hearing Ear Larry Lea,1990-01-01 *Choosing the Best* Matthew O. Sadiku,2012-03 Do you want your life to really count If so you must learn to make the right choices because the choices you make turn around to make you The way you choose has the potential of increasing or decreasing your joy in life Making a quality choice between several alternatives is tough To ease the path and alleviate the problem of making wrong choices this book presents twelve major criteria you should consider in making choices These criteria include The Greatest Tragedy The Greatest Mistake The Greatest Priority The Greatest Knowledge The Greatest Pursuit The Greatest Motive The Greatest Motivation The Greatest Influence The Greatest Enemy The Greatest Friend The Greatest Helper The Greatest Power These criteria affect our personal social and spiritual life Choosing the best involves making choices in view of the criteria It involves having priorities and being focused in life Choosing the best is knowing what God wants you to accomplish in life and investing your resources time talent and treasure on just that In short it is to live for the things that really matter in the long run *Charismatic Glossolalia* Mark J. Cartledge,2017-05-15 What is the nature and function of the Pentecostal Charismatic gift of speaking in tongues Charismatic Glossolalia aims to answer this question Drawing on detailed observations and interviews with people who themselves speak in tongues as well as survey data Cartledge presents explanations on the meaning of this gift for both the participants and their churches Cartledge argues that an understanding of the gift of speaking in tongues emerges as a symbol of divine human encounter especially associated with the context of prayer and worship and symbolising a sense of beauty awe power intimacy and faith building In theological terms speaking in tongues may be described as trinitarian sacramental and as demonstrating an important feature of the Kingdom of God An extensive literature review considers material from the New Testament Pentecostal and Charismatic theology and the behavioural and social sciences This book offers a unique contribution to Pentecostal and Charismatic scholarship as well as the emerging scholarly tradition of Practical Theology

Echoing the Story Brady Bryce,2010-09-01 God is already at work in your life whether or not you recognize it Participants in this twelve week small group Bible study will experience the whole Bible as the story of God Plus they will become aware of God's story continued in everyday life as they practice listening to the stories of others and to life In *Echoing the story* Brady Bryce provides a simple way for people to tell the scattered stories of their lives and re imagine them in a bigger story His innovative narrative approach invites curious skeptics casual followers of God and committed disciples of Jesus into community through listening to shared stories **Craveable** Artie Davis,2013-02-05 When people look at you what do they see Do they see Jesus Let's be honest In many places today the church is not particularly well liked It's viewed as judgmental mean ignorant and intolerant If we want to have any influence on the world or even the people next door we need to give some serious consideration to why that is How have Christians a people who are called by God to be the

most loving caring understanding and joyous people in the world come to be viewed as the exact opposite How can we change that Craveable is an all out call for Christianity to return to the allure that caused the church to win the world in the first century It is time to start Listening as Jesus listened Loving as He loved Leading as He led In other words if God s church and His people were to act like Jesus loving the unlovable accepting all the unacceptable and demonstrating a life of faith and joy we would be successful in turning our perception from being unlikeable to actually being CRAVEABLE

Supernatural Living Larry Kreider,Dennis DeGrasse,2011-07-28 Supernatural Living is biblically based and very practical This book will help you discover how to receive Gods supernatural power in your life and personally experience the miraculous gifts of the Holy Spirit operating through you Supernatural Living is filled with dozens of real life stories from the 21st century of the Lord using common ordinary people in supernatural ways *Learning and the Affective Approach* Acene Fleurmons,2017-05-16 My book Learning and the Affective Approach is a demonstration of the importance of affection love association and integration for kids preschoolers and schoolers in their immediate environment and learning journey That was an intellectual work that led us to a profound reflection on learning and on human intelligence which we redefined in chapter 1 which facilitates the learning processhow we acquire knowledge what makes people appear more intelligent or less and what hinders the process of acquiescing knowledge Lastly we have come to understand why Benjamin Bloom had so much success with the publication of his Taxonomy of Educational Objectives Cognitive Domain in 1956 In addition we understood why David Krathwohl had to build upon Blooms ideas to publish a new book on educational taxonomy related to affection The former infuses cognitive notions into the kids mind and the latter relaxes it to facilitate the reception chapter 2

Hope in the Storm Joe Gacheru,2022-01-15 I very much know that when we or our loved ones are going through some tough experiences like a prolonged sickness what we want to hear and what we want to know is that God still cares to feel His closeness and to know He knows what we are going through We want to know that God hears our prayers even in the middle of the night when no one else is there What I strongly believe is that not a single prayer slips by God because there s no time of day He isn t listening God heard you ten years ago and He heard you last week and He hears you right now and He s already listening for your tomorrow In fact He s listening so well He already knows what you re going to say I also know very well that God never says Oops God is in control of the trials God is not on his throne wringing his hands as he waits for the outcome of events Take from it me my friend no matter how dysfunctional your background how broke or broken you are where you are today or what anyone else says you matter to our living God Prayer Yonggi Cho,Wayde Goodall,2019-07-02 Revival comes from prayer Today s church needs an outpouring of the Holy Spirit Early church leaders like Luther Wesley Finney and Moody were filled and refilled with the Holy Spirit Prayer like theirs was the powerful key to every revival throughout Christian history Whether you re an ordained minister a stay at home mom or a new Christian God can work through you Join Yonggi Cho and Wayde Goodall in Prayer the story of Pastor Cho s personal life and successful ministry
