Miller,2023-02-27 Maisy Farley a Georgia peach transplanted to Pittsburgh has won the hearts of her audience as their favorite hometown news anchor for seven years running Then she dared to report the truth about the influential and eccentric billionaire who bought the TV station where she s worked for over a decade Now she s out of a job but sitting on a pile of money thanks to the golden parachute in her contract It s the perfect time to follow her dream of being an independent investigative reporter But Maisy s plans are falling apart The station s delaying her payout and her savings are dwindling fast Worse yet she can t seem to land her first story Then she encounters the ex wife of Landon Lewis a brilliant but troubled tech genius who jumped to his death His still reeling ex wife insists he was pushed Why would he kill himself when he was on the cusp of receiving a one hundred million dollar windfall Maisy has no idea but she knows one thing she s just found her story All she has to do is follow the money and stay alive long enough to break the story Longtime readers of the Sasha McCandless legal thrillers have known Maisy for years Now Sasha s irrepressible friend takes center stage in a mystery of her own Steeltown Magnolia will both delight Sasha fans and serve as the perfect chance for new readers to dive into the interconnected world of Melissa F Miller s mysteries and thrillers **Brazilian Steel Town** Massimiliano Mollona,2019-11-04 Volta Redonda is a Brazilian steel town founded in the 1940s by dictator Get lio Vargas on an ex coffee valley as a powerful symbol of Brazilian modernization The city s economy and consequently its citizen s lives revolves around the Companhia Siderurgica Nacional CSN the biggest industrial complex in Latin America Although the glory days of the CSN have long passed the company still controls life in Volta Redonda today creating as much dispossession as wealth for the community Brazilian Steel Town tells the story of the people tied to this ailing giant of their fears hopes and everyday struggles **Steeltown Blues** Richard Mousseau,2017-04-12 Only two boys from Steeltown have survived The past has affected their lives Living and working in a steel mill town is the cause of past and future events in their lives Salami is unable to settle down to a married life and is too eager to follow the free

spirit of his friend Boo Leaving town seems to be their only way out an escape To escape from what or whom There are those who wish to even up past scores They are willing to follow to extremes in order to inflict terror and pain on Salami and Boo To what end is in store for two friends wishing only to escape the confines of working in a steel mill Will they be able to escape those Steeltown Blues Quotes My hopes for the boys were dashed during the reading of the last few pages I felt hurt and angry when I read about Boo and Salami boys I enjoyed following page after page Through the whole book I felt as if I were travelling and living the excitement and disappointments of life alongside of the boys
