Wells, 2021-11-16 The Technique of the Mystery Story 1914 is a book by Carolyn Wells Before she began writing her Detective Fleming Stone series of mystery novels Carolyn Wells was a published poet accomplished children's author and professional jingle writer In the middle of her career she heard a mystery story by Anna Katharine Green and was instantly hooked Through years of practice and attention to the craft she earned a reputation as a leading fiction writer of her generation an adept craftswoman whose stories appeared in some of the leading newspapers and magazines of the day Why is the detective story To entertain to interest to amuse It has no deeper intent no more subtle raison d tre than to give pleasure to its readers Writing is a simple act requiring only the mind a pen and a piece of paper But how does one write well grabbing the reader s attention and ensuring their time will be rewarded by the end of the story In The Technique of the Mystery Story Carolyn Wells cuts to the core of a craft she defined despite coming to it late in her career Exploring the history of the genre defining its many different forms and illuminating the stylistic choices that keep a mystery tale running smoothly Wells provides an invaluable template for writers looking to follow in her footsteps or for readers looking for access to the mind and process of a woman revered in her field With a beautifully designed cover and professionally typeset manuscript this edition of Carolyn Wells The Technique of the Mystery Story is a classic work of American detective fiction reimagined for modern readers
