Stepping Westward With A New Introduction By The Author:

Stepping Westward Nigel Leask, 2020-02-27 Stepping Westward is the first book dedicated to the literature of the Scottish Highland tour of 1720-1830, a major cultural phenomenon that attracted writers and artists like Pennant, Johnson and Boswell, William and Dorothy Wordsworth, Coleridge, Scott, Hogg, Keats, Daniell and Turner, as well as numerous less celebrated travellers and tourists. Addressing more than a century's worth of literary and visual representations of the Highlands, the book casts new light on how the tour developed a modern literature of place, acting as a catalyst for thinking about improvement, landscape and the shaping of British, Scottish and Gaelic identities. It pays attention to the relationship between travellers and the native Gaels whose world was plunged into crisis by rapid and forced social change. At the book's core lie the best-selling tours of Pennant and Dr Johnson, associated with attempts to improve the intractable *Gaidhealtachd* in the wake of Culloden. Alongside the Ossian craze and Gilpin's picturesque, their books stimulated a wave of home tours from the 1770s through the romantic period, including writing by women like Sarah Murray and Dorothy Wordsworth. The incidence of published Highland Tours, many lavishly illustrated, peaked around 1800 but as the genre reached exhaustion, the romantic Highlands were reinvented in Scott's poems and novels, coinciding with steam boats and mass tourism but also rack-renting, sheep clearance and emigration.

Stepping Westward M. E. Francis, 1907 The Dialogic Novels of Malcolm Bradbury and David Lodge Robert A. Morace, 1989 Discusses the overlooked works of Bradbury and Lodge in terms of their critical reception, Bakhtin's theory of the dialogical novel and their relation to British literature and contemporary literature in general. The Baltic States Thomas Lane, Artis Pabriks, Aldis Purs, David J. Smith, 2013-11-05 Since the end of the Cold War, there has been an increased interest in the Baltics. The Baltic States brings together three titles: Estonia, Latvia and Lithuania, to provide a comprehensive and analytical guide integrating history, political science, economic development and contemporary events into one account. Since gaining their independence, each country has developed at its own pace with its own agenda and facing its own obstacles. The authors examine the tensions accompanying a post-communist return to Europe after the long years of separation and how each country has responded to the demands of becoming a modern European state. Estonia was the first of the former Soviet republics to enter membership negotiations with the European Union in 1988 and is a potential candidate for the next round of EU expansion. In 2004, Lithuania and Latvia have also expressed their desire for future membership of NATO and the EU.

To Carl Schmitt Jacob Taubes, 2013-05-07 A philosopher, rabbi, religious

historian and Gnostic Jacob Taubes was for many years a correspondent and interlocutor of Carl Schmitt 1888 1985 a German jurist philosopher political theorist law professor and self professed Nazi Despite their unlikely association Taubes and Schmitt shared an abiding interest in the fundamental problems of political theology believing the great challenges of modern political theory were ancient in pedigree and in many cases anticipated the works of Judeo Christian eschatologists In this collection of Taubes s writings on Schmitt the two intellectuals work through ideas of the apocalypse and other central concepts of political theology Taubes acknowledges Schmitt s reservations about the weakness of liberal democracy yet distances himself from his prescription to rectify it arguing the apocalyptic worldview requires less of a rigid hierarchical social ordering than a community committed to the importance of decision making In these writings a sharper and more nuanced portrait of Schmitt s thought emerges as well as a more complicated understanding of Taubes who has shaped the work of Giorgio Agamben Peter Sloterdijk and other major twentieth century theorists **Poems and Verses** Sarah B.
