Britpop and the English Music Tradition Jon Stratton, 2016-04-15 Britpop and the English Music Tradition is the first study devoted exclusively to the Britpop phenomenon and its contexts. The genre of Britpop with its assertion of Englishness evolved at the same time that devolution was striking deep into the hegemonic claims of English culture to represent Britain. It is usually argued that Britpop with its strident declarations of Englishness was a response to the dominance of grunge. The contributors in this volume take a different point of view that Britpop celebrated Englishness at a time when British culture with its English hegemonic core was being challenged and dismantled. It is now timely to look back on Britpop as a cultural phenomenon of the 1990s that can be set into the political context of its time and into the cultural context of the last fifty years a time of fundamental revision of what it means to be British and English. The book examines issues such as the historical antecedents of Britpop the subjectivities governing the performative conventions of Britpop the cultural context within which Britpop unfolded and its influence on the post Britpop music scene in the UK. While Britpop is central to the volume discussion of this phenomenon is used as an opportunity to examine the particularities of English popular music since the turn of the twentieth century.

Playlist Luca Sofri, 2010-10-04 Qual la musica di cui fatta la nostra vita. Ce lo racconta Luca Sofri scegliendo quasi tremila brani che riescono a formare una colonna sonora di cui impossibile fare a meno. Di ognuno ci d un particolare un retroscena una curiosit in modo che non siano solo una lettura galleggiante nel nulla. La scelta molto personale ovvio. Come diceva Frank Zappa Scrivere di musica come ballare di architettura. La musica fa leva su sensazioni personali umori di un momento ricordi. Il criterio che vorrebbe riunire tutte le canzoni che siano belle senza puzza sotto il naso e sapendo che due buone canzoni nella vita le scrivono tutti e a volte arrivano da dove meno te l aspetti. Playlist un manuale di fondamentali ma anche una lista di suggerimenti e di invito alla condivisione di singole gioie singole canzoni magari sfuggite. Alla fine tutti noi volevamo solo fare il deejay.
