Stained Glass Windows of St Albans Cathedral Ethel G. Skeat, 1977 *Stained Glass Windows of St Albans Cathedral* Francis W. Skeat, 1977 *St Albans Abbey: The Excavation of the Chapter House* 1978 Martin Biddle, Birthe Kjølbye-Biddle, Megan Kirkpatrick, Francis M. Morris, 2024-06-13 Excavations at the site of the medieval chapter house of St Albans Abbey in 1978 uncovered fragments of decorated floor tiles of the Anglo Saxon abbey and associated burials along with the magnificent floor of relief decorated tiles of the medieval chapter house and the graves of 16 known figures of the late 11th to 15th century abbey The Abbot and the Rule Michelle Still, 2017-03-02 St Albans was one of the greatest Benedictine abbeys of medieval England and the early 14th century was a period during which the concerns of the community and the role of the abbot emerge particularly clearly Yet the history of the abbey during this period has received little attention since general surveys undertaken over eighty years ago and the manorial history by Levett in 1938 Basing herself on the unique and relatively unexploited *Gesta Abbatum Monasterii Sancti Albani* Michelle Still examines the position of St Albans in both the secular and monastic worlds with a focus on the period 1290-1349 The study includes discussion of the role of the abbot as a feudal landlord a provider of education at the abbey's grammar school and a dispenser of charity In conclusion she notes the pivotal importance of the personality and influence of the abbot of St Albans in ensuring the strict observance of the Rule of St Benedict in an age when traditional monasticism was increasingly challenged Through the detailed study of this one abbey this book makes an important contribution to the overall picture of monastic life in medieval England *St. Alban's cathedral and abbey church, a guide, together with some extracts from the history of the abbey* by H.J.B. Nicholson William Page, 1898 **St. Albans Cathedral** Jim Brookes, 1992 **St. Alban's Cathedral and Abbey Church** William Page, 1903 **Stained Glass in England During the Middle Ages** Richard Marks, 2006-01-16 First published in 1993 The first modern study of the medium this book considers stained glass in relation to architecture and other arts and by examining contemporary documents it throws valuable light on workshop organisation prices and patronage **Stained Glass** Roger Rosewell, 2012-07-20 The stained glass windows of England's cathedrals and churches are masterpieces of colour and storytelling and for a thousand years they have brought meaning and beauty to worshippers and visitors alike This book traces the history of stained glass from its Anglo Saxon origins until the present day explaining how some of Europe's greatest artists have created these unique paintings with light It also offers fascinating insights into how medieval people saw stained glass A hundred beautiful photographs make this book indispensable reading for anyone interested in church or art history and a helpful gazetteer lists where to see more than 500 outstanding windows ,
