## **Strategic Planning And Control A New Dimension To Asian Business:**

**Strategic Planning and Control** Terence Hon H. Kwai, 1986      Strategy Safari Henry Mintzberg, Bruce W. Ahlstrand, Bruce Ahlstrand, Joseph Lampel, 2005-06-06 This indispensable guide for the creative manager takes readers on a powerful comprehensive and illuminating tour through the fields of strategic management The result is a brilliant penetrating primer on business strategy that is at the same time immensely readable and fun      **A Bibliography of Asia-Pacific Studies: China and Hong Kong** Pai-nan Rashid Wu, 1992      **New Dimensions of Economic Globalization** Ramkishan S. Rajan, Rajiv Kumar, Nicola Virgill, 2008 The phenomenon of South South foreign direct investment flows particularly those arising from multinational companies from China and India has generated considerable interest among policymakers academics and the press This book consists of a set of papers dealing with this area      *Risk Management Strategies of Japanese Companies in China* Kristin Vekasi, 2019-06-14 In the context of political tensions and rising economic interdependence between Japan and China this book studies how Japanese multinational companies try to minimize damages and manage their own fear and uncertainty to sustain their business interests Using a qualitative approach including over 150 interviews with Japanese and Chinese business and industry leaders combined with statistical analysis of unique firm level data this book brings a firm level view to this crucial case of political conflict amid economic interdependence It argues that there is wide variation in the degree of material damages Japanese multinationals sustain in the aftermath of political disputes and how threatening they perceive the risks of political conflict to be This book then goes on to evaluate the different responses to risk from promoting Japan's culture through privately funded tactics and building common cause with the government to diversifying a portion of assets abroad and even leaving China entirely Presenting a new angle on economic globalization in the Asia Pacific region *Risk Management Strategies of Japanese Companies in China* will be useful to students and scholars of Asian politics business and economics as well as international political economy      Climate Change Management Huong Ha, 2018-02-13 This book focuses on special issues of climate change management in Asia It discusses the challenges of climate change governance and examines the impact of climate change on agriculture and food security The author includes a rare work relating to a new dimension of climate change management environmental knowledge management The book also touches another special topic relating to climate change legal issues in the maritime sector Is the current maritime legal framework effective in preventing harms to the environment still a big question How the legal industry in Malaysia responds to climate change is also examined in this volume Finally the agriculture sector in Japan investigates whether the adaptive method of introducing high temperature tolerant varieties and the mitigation strategy affect the product price of rice Overall robust strategies plans and policies are required to provide directions to stakeholders so that they can effectively and efficiently respond to climate change challenges      A Bibliography of Asia-Pacific Studies: China and Hong Kong , 1992      *New Dimensions Of Economic Globalization: Surge Of Outward Foreign Direct Investment*

*From Asia* Rajiv Kumar, Ramkishan S Rajan, Nicola Virgill, 2008-05-27 The phenomenon of South South FDI flows particularly those arising from multinational companies from China and India has generated considerable interest among policymakers academics and the popular press in recent times This phenomenon raises several questions such as What is behind the rise of such intra regional investment flows What is the magnitude of such flows and can they be expected to persist accelerate over time What are the challenges faced by emerging market multinationals and the future prospects of intra Asian FDI flows This book written by top scholars from academia international organizations as well as think tanks consists of a set of papers focusing on these issues The book is unique in its coverage focusing on China India and Southeast Asia rather than limiting itself to a sub regional or country specific focus The chapters in this book highlight important policy issues but are supported with relevant data and empirics with rigorous empirical analysis being applied to important practical policy issues The book also provides pertinent overviews of recent research on the questions explored While the chapters have been crafted to be able to stand up to academic scrutiny they are also written in a manner that makes them easily accessible to all policymakers students and business financial journalists who are interested in Asia and in the emergence of South South FDI flows

**The Changing Face of People Management in India** Pawan S. Budhwar, Jyotsna Bhatnagar, 2008-11-26 India has been identified as one of the biggest emerging markets in the world Indian organizations have increasingly begun to understand the importance of human resources and have started to take into account the motivation commitment and morale of its workforce Despite great advances in human resource practices in India the relevant literature on this subject remains scarce This book seeks to fill the critical gap in the literature by providing a thorough understanding of the changing face of Indian HRM systems Seeking to provide a comprehensive overview of Indian HRM practices the book is structured into five parts Developments in Indian HRM Determinants of Indian HRM Sector specific HRM Emerging themes Future challenges and the way forward The Changing Face of People Management in India is written exclusively by Indian natives in order to minimise the Western bias and to provide a realistic picture of HRM practices in India This book is a key resource for anyone studying or working in HRM or international business or with an interest in the unique Indian HRM context
