

The Strategy & Execution Gap

Strategy Gap Leveraging Technology To Execute Winning Strategies

**Svetlana Ashmarina, Anabela
Mesquita, Marek Vochozka**

Strategy Gap Leveraging Technology To Execute Winning Strategies:

The Strategy Gap Michael Coveney, Dennis Ganster, Brian Hartlen, Dave King, 2003-04-07 With shortened business cycles increased competition and rapidly changing technologies companies need to be more nimble than ever They must narrow the gap between strategy formulation and operation execution to guarantee success The Strategy Gap will provide a framework that senior financial managers can use to ensure that their strategies are implemented successfully and that their corporations remain competitive Filled with informative case studies and best practices for optimum financial processes this valuable resource will help managers leverage information technology to successfully implement corporate strategies This book also shows managers how to eliminate surprises in poorly managed or unforeseen activities while applying new approaches to financial management for faster and more accurate business modeling Expert advice from those who have used these strategies clearly explains how to integrate planning budgeting consolidation and reporting into one cohesive management system

Strategic Management from an Islamic Perspective Rodrigue Fontaine, Khaliq Ahmad, 2013-07-16 Fascinating insights into modern strategic management from an Islamic perspective While strategic management is a cornerstone of any MBA program it is almost always taught from conventional theories and typically American case studies This book takes those traditional theories and interprets them from an Islamic perspective using more international case studies Though primarily intended as a textbook for business students the book is also extremely useful for any Muslim business leaders who want to transform their businesses while complying with Shariah with a particular focus on developing corporate cultures and structures in sync with Islamic values Offers a critical review of conventional strategic management theory suggesting more effective alternatives based on a combination of conventional and Islamic theories Includes international case studies each with a particularly Islamic angle Written by a successful author team that has written extensively on the subject of business management from an Islamic perspective

Digital Transformation of the Economy: Challenges, Trends and New Opportunities Svetlana Ashmarina, Anabela Mesquita, Marek Vochozka, 2019-02-05 This book gathers the best contributions from the conference Digital Transformation of the Economy Challenges Trends and New Opportunities which took place in Samara Russian Federation on May 29-31 2018 Organized by Samara State University of Economics Samara Russia the conference was devoted to issues of the digital economy Presenting international research on the impact of digitalization on economic development it includes topics such as the transformation of the institutional environment under the influence of informatization the comparative analysis of the digitalization development in different countries and modeling the dependence of the rate of change in the economy on the level of the digitalization penetration into various spheres of human activity It also covers business process transformation in the context of digitalization and changes in the structure of employment and personnel training for the digital economy Lastly it addresses the issue of ensuring information security and dealing with information risks for both individual enterprises and

national economies as a whole The book appeals to both students and researchers whose interests include the development of the digital economy as well as to managers and professionals who integrate digital solutions into real world business practice
