English Bernard Hartley, Peter Viney, 1985 **Materials development for TESOL** Freda Mishan, 2015-06-03 Materials
development has become much more important in the field of TESOL in the last twenty years modules on materials
development are now commonplace on MA TESOL courses around the world The overall aim of the book is to introduce
readers to a wide range of theoretical and practical issues in materials development to enable them to make informed and
principled choices in the selection evaluation adaptation and production of materials The book aims to show how these
choices need to be informed by an awareness of culture context and purpose *Applied Linguistics and Materials*
Development Brian Tomlinson, 2013-01-31 Applies applied linguistic theories to the development of materials for language
learning to add new depth to the field *Grammar in ELT and ELT Materials* Graham Burton, 2023-06-06 This book
investigates the content of the grammar syllabus typically employed in mainstream English Language Teaching Using a
mixed methods approach the author examines how the syllabuses used in coursebooks are actually constructed how they
evolved and how valid their contents are as a basis for teaching The research reported consists of a broad exploration of
primary sources in order to outline the evolution of ELT pedagogical grammar ten interviews with key ELT authors and
publishing professionals which allows for the investigation of the decision making processes underlying the choice of
grammar content in ELT teaching materials and finally the presentation of case studies which examine three areas of
grammar analysing the evolution of their treatment in ELT materials both historical and contemporary and comparing their
current treatment to data on real learner use This book contributes to the literature on syllabus design and pedagogical
grammar and builds on existing research into materials design It will be of interest to researchers and professionals working
in the fields of applied linguistics pedagogical grammar curriculum design and materials design Revista de la Lengua
