

Self-Image, Behaviour & Thoughts

“ Your behaviour and thoughts are limited only to the self-image that you choose at any given moment. If you choose the self-image of a problem solver, all your thoughts and behaviour will align with that self-image. If you think of yourself as a victim of the past, all your future thoughts and behaviour will limit themselves to that.

Interestingly, self-image is not fixed. You can choose to have whatever self-image you wish at any given time, even if that is not your past experience. Your thoughts and behaviour will automatically align with that new self-image.

Knowing this, would you still choose a self-image to limit yourself from living a fulfilling life?
