A reprogramming of how we think about money, success, and life. In a world where finance is often reduced to cold numbers, spreadsheets, and rigid rules, *Finattitude* dares to ask a different question: What if your attitude toward money matters more than the money itself? This book is built around a single powerful idea: Money doesn't change people. Attitude towards money does. *Finattitude* is the term I coined to represent that peculiar transformative attitude, one that looks beyond savings accounts and investment charts to the core of your habits, beliefs, emotions, and decisions. It's not just about what you earn, but how you think, feel, and act when money is in the picture. It's a blend of financial wisdom passed down and discovered through lived experiences. Mindful habits that create sustainable wealth and bold, human-centric thinking that empowers both kids and adults to break cycles, build legacies, and live freely. Whether you're 9 or 90, a beginner or a seasoned investor, *Finattitude* invites you to drop outdated money scripts and adopt a new lens, one that's thoughtful, adaptable, global, and deeply personal. So this isn't just a finance book. It's a mindset manual. It's a lifelong toolkit. It's
