Strindberg An Introduction To His Life:

Strindberg Brita M.E. Mortensen, Brian W. Downs, 1949 **Strindberg: an Introduction to His Life and Work; Paperback Ed** Brita Maud Ellen Mortensen, 1965 **Strindberg; an Introduction to His Life and Work** B M E & Downs Mortensen (B W.), **Strindberg** Brita M. E. Mortensen, Brian W. Downs, 1949 *An International Annotated Bibliography of Strindberg Studies 1870-2005: General studies* Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known. These include his prose fiction and poetry, his work as an historian and natural historian and his relationship to the other arts, most notably his painting. It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material, all of this in several languages. Organised generically and by subject and individual work, the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods. It is thus very much a study in reception as well as a bibliographical record of published material. It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity. The bibliography is published in three parts. Volume 2 *The Plays* 978 0 947623 82 1 and Volume 3 *Prose Poetry Miscellaneous* 978 0 947623 83 8 are also now available. Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia, Norwich. **Drama in the Modern World: Plays & Essays**, 1996 *The 20th Century O-Z* Frank N. Magill, 2013-05-13 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a 'who's who'. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography. *Strindberg* Brita Maud Ellen Mortensen, Brian Westerdale Downs, 1965 **An International Annotated Bibliography of Strindberg Studies 1870-2005: Autobiographies, novels, poetry, letters, historical works, natural history and science, linguistics, painting and the other arts, politics, psychopathology, biography, miscellaneous, dissertations** Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known. These include his prose fiction and poetry, his work as an historian and natural historian and his relationship to the other arts, most notably his painting.
