finally realized you ll have to forgive your ears for being duped into a false sense of security because it s that second intensified drop a few seconds later the one where yet more guitars manifest and Andrew W K slam plants his vocal flag by screaming the song s titular line that really floods the brain with endorphins serotonin dopamine and whatever else formulates invincibility Polished to a bright overdubbed to oblivion sheen the party preaching I Get Wet didn t capture the zeitgeist of rock at the turn of the century it captured the timelessness of youth as energized awesome and unapologetically stupid as ever With insights from friends and unprecedented help from the mythological maniac himself whose sermon and pop sensibilities continue to polarize this book chronicles the sound s evolution uncovers the relevance of Steev Mike and examines how Andrew W K s inviting inclusive lyrics create the ultimate shared experience between artist and audience
