The Skull War Jeremy Bechen,2005-10 In the desert lands of Hakanna a god visits a lich king This lich is granted the ability to forge a massive army of undead Not long after the first cities fall to the lich king s army does the word of this evil spread to the northern continent of Relkin Here a band of adventurers led by a battle cleric named Bolin decides to recruit an army of Relkin soldiers adventurers and would be heroes Bolin and his friends lead their army on ship to Hakanna s lands but not before they run into trouble of their own When reaching Hakanna s shores they discover the war is as bad as their informants have told them The war has brought out just about every creature both evil and good out of their homes to fight If the lich king s forces should triumph the entire world is in jeopardy of becoming undead There are some surprises along the way and before it is over planes of light and dark will be unleashed upon Akris

The Lost Lands of Reljae Jeremy Bechen,2005-10-27 On the world of Akris the race called humans are out of control With their populations growing to horrifying numbers and their disregard for anything save for themselves has caused the other races to become dangerous to any creature Alliances are sparse and trust near extinct In the west there is a disturbance in the Argoth Mountains Here genocide rains rampant over the races of the mountain No neutral or good race goes untouched by the evil storm that is about to roll across the world leaving no land untouched by its wickedness An entity named Darien Albringer leads a party in an attempt to find the lost lands of Reljae and a way to save Akris while the rest of the world defends themselves against an all consuming army of evil As the war wages on some of the gods of old join the scene as do creatures unknown to Akris Deadly warriors of Alanon reach Relkin shores and beings worlds away are recruited as the war threatens to eliminate all life on Akris This would be the first of many worlds which will feel the might of the evil tyrant s touch should it be victorious and loosened upon the universe
