Paxton,2013-08-06 Rated 5 Stars It s a fun enlightening and instructive adventure into our skies Parachute Action Adventure
for Kids This fully illustrated children s book exudes realism and insights into parachute background training for
paratroopers and necessities for sky diving as a sport This educational publication explains and opens up a world of para
jumping action adventure for kids promising to teach your children and help them understand everything about parachutes
paratroopers and skydivers assisted by vividly clear illustrations and captivating photographs This is a perfect ebook for kids
to explore and discover the history of parachutes and the link between parachutes paratroopers and skydiving It includes
explanations of how the military developed parachuting as a method of deploying ground troops in war zones dropping men
behind enemy lines how the growth of parachuting and skydiving became recognized as an official sport in 1951 and why
competitions began to get international recognition For instance did you know that parachutes were used as early as the
twelfth century in China or that a daring skydiver actually re created the parachute designed by Leonardo da Vinci and used
this to do a parachute jump The facts pictures and explanations in the publication will keep your child fascinated and
entertained giving enjoyment and improving knowledge in a fun manner Skydiving is a fun enlightening and instructive
adventure into our skies Imagine your heart pounding in your chest while peering out over the edge of a plane 13 000 feet
above ground Suddenly you are opened up to a whole new world with just one jump which launches you into flight where you
can do all sorts of fun things Discover how the sport of skydiving developed at the end of Second World War and how it has
become a sport for people who are thrill seekers wanting to have the ultimate adrenaline rush You will see why these
adventure sports have become increasingly sought after by those seeking stimulating experiences You will realize what it is
like taking on what nature has to offer You will learn how as you become more skilled you will be able to jump with new and
best friends which is the greatest feeling in the world especially as you make each jump a little more action packed and
challenging These days skydiving is the fun form of parachuting done from a plane or sometimes a helicopter which takes off
from a small airbase known as a drop zone Skydivers usually exit the aircraft at a height of 13 000 feet 4000 meters and free
fall for a time before opening their chute to slow their descent to a safe landing speed If you are a little bit like me you will be
going to bed in the evenings thinking about where and when your next skydive will be what is in store in the future and who
you ll meet along the way I watched him strap on his harness and helmet climb into the cockpit and minutes later a black dot
falls off the wing two thousand feet above our field At almost the same instant a while streak behind him flowered out into
the delicate wavering muslin of a parachute a few gossamer yards grasping onto air and suspending below them with
