## **Strategic Risk A State Defined Approach:**

*Strategic Risk* James M. Collins, Timothy W. Ruefli, 2012-12-06 Strategic Risk examines a fundamental issue in the field of strategic management and organizations how to study changes in the competitive outcomes of firms Collins and Ruefli develop the concept of ordinal risk and extend this concept and its associated measures to the more general framework of state defined systems The book makes the state defined risk methodology more accessible to strategic management researchers and to social scientists in general The need for quantitative frameworks with which to analyze the dynamics of strategic management has been apparent for some time The state defined risk methodology has the advantage of being based on a common usage definition of risk and is also based on a mathematically well behaved function It permits investigation of the chance of gain while yielding a measure of environmental uncertainty Finally the development is general and permits applications employing a variety of performance dimensions over a range of entities in a diversity of contexts The authors demonstrate the practicability and reliability of this approach by applying the model to mutual funds large mining and manufacturing firms and public firms on an industry by industry basis **Handbook of Decision Making** Paul C.
