Global Perspectives on Contemporary Marketing

Education Smith, Brent, Porath, Amiram, 2016-03-17 A successful marketing department has the power to make or break a business Today marketing professionals are expected to have expertise in a myriad of skills and knowledge of how to remain competitive in the global market As companies compete for international standing the value of marketing professionals with well rounded experience exposure and education has skyrocketed Global Perspectives on Contemporary Marketing Education addresses this need by considering the development and education of marketing professionals in an age of shifting markets and heightened consumer engagement A compendium of innovations insights and ideas from marketing professors and professionals this title explores the need for students to be prepared to enter the sophisticated global marketplace This book will be invaluable to marketing or business students and educators business professionals and business school administrators

Rockin' in Red Square Walter Grönzweig, Nana Rinehart, 2002 International educators can take the high road towards rigorous investment in the ideals of true cultural exchange or continue down the low road to customer satisfaction and design programs that reduce or eliminate challenges International education structured according to the latter principle is little more than just another product in the global marketplace In spite of the process of globalization and partly because of it international education faces a major crisis This volume with contributors from Austria Chile France Germany The Netherlands and the United States sets forth a timely and provocative critique of international education and assesses its future under radically different conditions than those in place twenty years ago Walter Grönzweig is professor of American literature and culture at Universität Dortmund He holds adjunct professorships at the University of Pennsylvania University of New York at Binghamton and Canisius College Nana Rinehart is associate director of the International Student Exchange Program

The Essentials of Supply Chain Management Hokey Min, 2015-05-23 This is today's indispensable introduction to supply chain management for today's students and tomorrow's managers not yesterday's Prof Hokey Min focuses on modern business strategies and applications transcending obsolete logistics and purchasing driven approaches still found in many competitive books Focusing on outcomes throughout The Essentials of Supply Chain Management shows how to
