Root, Kanoknart Visudtibhan, 2023-12-31 Contains articles on aspects of strategic management in the multinational enterprise Contributions fall into four areas multinational and transnational enterprise the top management perspective the normative decision making emphasis and regency of publication no earlier than 1985

International Business Strategy Peter J Buckley, Pervez Ghauri, 2015-02-20 With stagnated demand in many home economies the need to internationalize and exploit foreign market opportunities has never been more paramount for businesses to succeed at a global level However this process raises a number of questions such as can firms use their knowledge of one market in the next Can firms pursue internationalization on several fronts at the same time How should firms handle cultural and institutional differences between markets This textbook provides students with the core research in international business and strategy including organization efficiency external relationships and the challenges found in an increasingly multicultural world Each part begins with a presentation of the issues and controversies faced in that particular area followed by a synthesis of the research which provides avenues for future research To facilitate and encourage further debate and learning each part also includes at least one original case study Compiled by two of the World's leading scholars of international business and supplemented with critical commentaries and a range of integrative case studies this comprehensive textbook provides advanced students of international business and strategy with a resource that will be invaluable in their studies and beyond

Global Strategic Management Gerardo R. Ungson, Yim-Yu Wong, 2014-12-18 International business is undergoing continuous transformation as multinational firms and comparative management evolve in the changing global economy To succeed in this challenging environment firms need a well developed capability for sound strategic decisions This comprehensive work provides an applied and integrated strategic framework for developing capabilities that lead to global success It is designed to help readers achieve three essential objectives First it provides intellectual and practical guidelines for readers to execute goals and strategies that lead to meaningful and productive results The book is packed with frameworks cases anchoring exercises techniques and tools to help readers emerge with a completed business plan after the last chapter Second it focuses on strategy and how firms build competitive presence and advantages in a global context A primary learning objective is to enable readers to understand and evaluate the major issues in strategy formulation and implementation in a global context Third it provides an accessible framework that will help guide readers in making strategic decisions that are sound and effective It offers a unifying process that delineates the necessary steps in analyzing the readiness of a firm to do business abroad In addition to core issues each chapter presents frameworks analytical tools action oriented items and a real world case all designed to provide insights on the challenges imposed by globalization and technology on managers operating in a global context

International Human Resource Management Monir Tayeb, 2005 Tayeb management and languages Heriot Watt U enters the debate about

internationalization and globalization by proposing two dynamic models of human resource management HRM internationalization and international HRM in multinational corporations She summarizes key debates in HRM and discusses the applicability of various HRM models in differ

Cooperative Strategy : Economic, Business, and Organizational Issues David Faulkner, Mark de Rond, 2000-05-18 This book brings together some of the latest thinking and research on cooperative strategy Work in this area has grown rapidly over the last decade but no single thematic approach has dominated and become the ascendant theory DSresource dependency transaction cost analysis market power and game theory have all made significant contributions to the growing literature on strategic cooperation This book presents chapters from many of these theoretical perspectives and some of the key issues through a number of different lenses

The Changing Global Context of International Business P. Buckley, 2002-11-19 This book explores 4 key issues in the world economy the changing context of international business the continuing pace of economic integration international joint ventures and knowledge management More specifically the book explores how each of the issues affects the strategies of multinational enterprises MNEs The book takes into account the moral basis of global capitalism made all the more important after the events of 11 September 2001 Peter Buckley is a world renowned expert in the field of international Business

The SAGE Handbook of International Marketing Masaaki Kotabe, Kristiaan Helsen, 2009-01-05 Over the past two decades the nature of international marketing has faced huge change Increasingly challenged with the unprecedented emergence of globally integrated yet geographically scattered activities multinational marketing has had to respond accordingly The SAGE Handbook of International Marketing brings together the fundamental questions and themes that have surfaced and promises to be an essential addition to the study of this critical subject area In an internationally minded and detailed analysis the contributors seek to examine the state of the art in research in international marketing with particular emphasis on the conceptual framework and theory development in the field Looking at new research formative and fundamental literature and the nature of strategic alliance and global strategy this timely and comprehensive handbook offers the reader a compelling examination of the central concerns of marketing for an international community

Cooperative Strategy John Child, David Faulkner, Stephen B. Tallman, 2005 This is a clear and comprehensive survey of strategic alliances which presents different disciplinary perspectives and numerous examples from the corporate world The text has been thoroughly revised and updated taking account of new theoretical models and its coverage of case studies has been extended

International Business Oded Shenkar, Yadong Luo, Tailan Chi, 2021-12-20 This fully revised and updated fourth edition of International Business offers an action focused practical approach to the topic helping students understand the global business environment and its repercussions for executives The book provides thorough coverage delving into fundamental concepts and theory the cultural political and economic environment international business strategies and even functional management areas More comprehensive than competing books this new edition of International Business includes A new chapter on the digitalization

of the global economy and its implications for firm strategy and organizations New examinations of the forces of de globalization implications of rising trade protectionism challenges of geopolitical conflicts and a friction framework for understanding the effects of cultural differences Enriched and expanded discussions about potential reconfigurations of global value chains following the COVID 19 pandemic changing perspectives on the role of the government with renewed attention to industrial policy shifts in regional integration with the emergence of such new trade blocks as CPTPP and RCEP and fresh insights on factors influencing a country s balance of payments Strengthened expanded global cases examples and industry and country mini cases that give students practical insight into the ways companies actually behave within a competitive global environment Also featuring a companion website with a test bank PowerPoint slides and instructor s manual this book is ideal for students and instructors of any international business course at undergraduate or postgraduate level

Organization and Management in China, 1979-1990 Oded Shenkar,1991 **Sociopolitical Aspects of International Marketing** Erdener Kaynak,1991 Social economic political business and cultural environmental factors affect the international marketing operation and performance of international firms This highly insightful volume focuses on four of the most significant forces with which companies must deal on an international level macro international marketing issues sociopolitical international marketing issues international marketing strategies and special international marketing topics Within this framework experts examine the impact of two major environmental factors namely the social and political conditions on international companies to adopt corresponding marketing techniques and practices in different international markets They also explore how specific details of a country such as income level cultural attributes consumer characteristics laws and politics influence the market potential of international firms and thus the scale of the company operations Indispensable reading for scholars economists and business people who are interested in marketing on a global scale
