Strategies for the 1980s Philip Van Slyck, 1981-05-22 This monograph grew out of various discussions among members of the board of trustees executive committee and staff of Freedom House as we debated the appropriate American policy responses to the Soviet power challenge in the weeks following the brutal invasion of Afghanistan Military Law Review, 1981 Quarterly Review of Military Literature, 1983 **Professional Journal of the United States Army**, 1983 Military Review, 1983 *The Heresy of Words in Cuba* Carlos Ripoll, 1985 After outlining the history of the struggle for freedom of expression in Cuba from the 19th century to Castro's assumption of power the author details how that freedom has been systematically curtailed under the Castro regime Separate chapters are devoted to the stifling of freedom in journalism and to Castro's drive to harness artistic creation as a servant of ideology The author illustrates his account of the regulation of culture by providing case studies of the persecution of two intellectuals both dissident Marxists who ran afoul of Castro's cult of personality *A Bibliography of Military Geography* Eugene J. Palka, 1988 This four volume document is designed to enhance scholarly research in the area of military geography and to serve as a reference tool It is anticipated that this will meet the research needs of professors and students of military science geography and history along with members of the Armed Forces government officials and planners This bibliography is organized following the accepted scheme for military geography utilizing three main categories systematic topical and regional Volume I is a complete alphabetized list Volume II is organized systematically Volume III is organized topically and Volume IV collects regional sources **Afghanistan** C. Heather Bleaney, María Ángeles Gallego, 2006 Presents a thematically indexed bibliography devoted to Afghanistan Following the pattern established by one of its major data sources viz the acclaimed Index Islamicus both journal articles and book publications are included and indexed *Afghanistan, the Great Game Revisited* Rosanne Klass, 1987 **Journal of South Asian and Middle Eastern Studies**, 1981
