Striking Back The 1972 Munich Olympics Massacre And Israels Deadly Response:

Striking Back Aaron J. Klein, 2007-01-09 The first full account based on access to key players who have never before spoken of the Munich Massacre and the Israeli response a lethal top secret thirty year long antiterrorism campaign to track down the killers 1972 The Munich Olympics Palestinian members of the Black September group murder eleven Israeli athletes Nine hundred million people watch the crisis unfold on television witnessing a tragedy that inaugurates the modern age of terror and remains a scar on the collective conscience of the world Back in Israel Prime Minister Golda Meir vows to track down those responsible and in Menachem Begin's words run these criminals and murderers off the face of the earth A secret Mossad unit code named Caesarea is mobilized a list of targets drawn up Thus begins the Israeli response a mission that unfolds not over months but over decades The Mossad has never spoken about this operation No one has known the real story Until now Award winning journalist Aaron Klein's incisive and riveting account tells for the first time the full story of Munich and the Israeli counterterrorism operation it spawned With unprecedented access to Mossad agents and an unparalleled knowledge of Israeli intelligence Klein peels back the layers of myth and misinformation that have permeated previous books films and magazine articles about the shadow war against Black September and other terrorist groups Spycraft secret diplomacy and fierce detective work abound in a story with more drama than any fictional thriller Burning questions are at last answered including who was killed and who was not how it was done which targets were hit and which were missed Truths are revealed the degree to which the Mossad targeted nonaffiliated Black September terrorists for assassination the length and full scope of the operation far greater than previously suspected retributive acts against Israel and much more Finally Klein shows that the Israeli response to Munich was not simply about revenge as is popularly believed By illuminating the tactical and strategic purposes of the Israeli operation *Striking Back* allows us to draw profoundly relevant lessons from one of the most important counterterrorism campaigns in history *The Israeli Secret Services and the Struggle Against Terrorism* Ami Pedahzur, 2010 An expert on terror and political extremism Ami Pedahzur argues in this book that Israel's strict reliance on the intelligence community and its elite units is fundamentally flawed **Bugsplat** Bruce Cronin, 2018-03-07 Why do states who are committed to the principle of civilian immunity and the protection of non combatants end up killing and injuring large numbers of civilians during their military operations Bugsplat explains this paradox through an in depth examination of five conflicts fought by Western powers since 1989 *Combating Terrorism in the 21st Century* Joseph R. Rudolph Jr., William J. Lahneman, 2022-09-27 This combination A Z encyclopedia and primary document collection provides an authoritative and enlightening overview of U S anti and counterterrorism politics policies attitudes and actions related to both foreign and domestic threats with a special emphasis on post 9 11 events This book provides a compelling overview of U S laws policies programs and actions in the realms of anti and counterterrorism as well as comprehensive coverage of the various domestic and foreign terrorist organizations threatening America including their

leaders ideologies and practices These entries are supplemented with a carefully selected collection of primary sources that track the evolution of U S anti and counterterrorism policies and political debate These documents will not only illuminate major events and turning points in America s fight against terror both foreign and homegrown but also help readers understand debates about the effectiveness morality and constitutionality of controversial policies that have either been implemented or proposed from waterboarding to targeted assassination to indefinite incarceration at Guant namo Bay In addition this resource shows how political controversies over anti and counterterrorism strategies are spilling over into other areas of American life from debates about privacy rights government surveillance and anti Muslim actions and beliefs to arguments about whether U S firearms policies are a boon to terrorists
