The Handshake In Washington The Beginning Of Peace In The Middle East:

Historical Dictionary of the Arab-Israeli Conflict P R Kumaraswamy, 2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict

The A to Z of the Arab-Israeli Conflict P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves

The Secret Israeli-Palestinian Negotiations in Oslo Sven Behrendt, 2007-03-06 The Oslo secret negotiations from 1992 to 1993 were some of the most astonishing and also successful negotiations in the Middle East leading to the mutual recognition between the PLO and Israel Through an in depth examination of the Oslo negotiations this book argues that at the core of the negotiations was a fascinating dilemma of recognition Overcoming this dilemma was at the centre of the secret negotiations A thorough analysis documents how decision makers tried to communicate without being able to engage in face to face negotiations and highlights the significance of the role of third parties in the conflict resolution process stressing in particular the importance of the European Union's power in bringing the sides together This is a comprehensive account of the Oslo negotiations focusing particularly on the timely issue of non recognition which is of great importance today given the recent emergence of the rise of Hamas as the dominant Palestinian political force

The Palestine Yearbook of International Law, 1995 Anis F. Kassim, 1997-01-01 A well established yearbook The Palestine Yearbook of International Law is widely respected as a prime source of legal material relating to Palestinian issues It provides an important forum on topical matters relating to Palestine for the international legal

community particularly for legal practitioners researchers and scholars In addition to leading articles on current matters of interest it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English This eighth volume of The Palestine Yearbook of International Law contains leading articles on Palestinian self government legal aspects of the Palestinian Israeli peace process and the problems of water management in Palestine the texts of Palestinian Jordanian Israeli and U S legislation and of various Agreements concluded between the Palestinian National Authority and both Jordan or Israel the texts of human rights reports a selection of recent book reviews and a detailed bibliography The level of activity in this field and its importance and complexity make The Palestine Yearbook of International Law an important component in any international law library allowing practitioners and academics to maintain awareness of these critical issues Handshake in Washington Dr. John King, John King, 1994 A chronological account of Anglo Egyptian political relations from 1947 to 1956 a crucial point in more than 70 years of British involvement in Egypt for they marked a turning point in political relations **The Arab-Israeli Conflict** Kirsten E. Schulze, 2016-11-03 3 From the Hussein McMahon Correspondence The Origins of the Arab Israeli Wars Ritchie Owendale, 2015-10-23 This highly regarded history gives a balanced and judicious introduction to this immensely complex and controversial subject weaving different strands of the story into a single coherent narrative thus making it essential reading for all students studying conflict in the Middle East Of all the troubles affecting the modern world few are as topical deep rooted and intractable as the Arab Israeli conflict For this region an understanding of the past is vital to an understanding of the present Ritchie Owendale s classic study of the roots of the conflict is now updated for a fourth time and considers events until 2003

Ibss: Political Science: 1994 British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Encyclopedia of the Palestinians Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians **Media and Conflict: Framing Issues, Making Policy, Shaping Opinions** Eytan Gilboa, 2021-10-25 This is the first book to focus on media and conflict primarily international conflict from multidisciplinary cross national and cross cultural perspectives Twenty two contributors from around the globe present original and thought provoking research on media and conflict in the United States Central America Europe the Middle East Africa Russia and Asia Media and Conflict includes works both on the traditional print and electronic media and on new media including the Internet It explores the role media play in different phases of conflict determined by goal and structure including conflict management conflict resolution and conflict transformation Published under the Transnational Publishers imprint **How Terrorism Ends** Audrey Kurth Cronin, 2009-08-24 A landmark study Robin Wright The New Yorker Why every terrorist movement comes to an end and how this history can help us combat today s terrorist threats Amid the fear following 9 11

and more recent terror attacks it is easy to forget the most important fact about terrorist campaigns they always come to an end and often far more quickly than expected Contrary to what many assume when it comes to dealing with terrorism it may be more important to understand how it ends than how it begins Only by understanding the common ways in which terrorist movements have died out or been eradicated in the past can we hope to figure out how to speed the decline of today's terrorist groups while avoiding unnecessary fears and costly overreactions In *How Terrorism Ends* Audrey Kurth Cronin examines how terrorist campaigns have met their demise over the past two centuries and applies these enduring lessons to outline a new strategy against al Qaeda This book answers questions such as How long do terrorist campaigns last When does targeting the leadership finish a group When do negotiations lead to the end Under what conditions do groups transition to other forms of violence such as insurgency or civil war How and when do they succeed or fail and then disappear Examining a wide range of historical examples including the anti tsarist Narodnaya Volya the Provisional IRA Peru's Shining Path Japan's Aum Shinrikyo and various Palestinian groups Cronin identifies the ways in which almost all terrorist groups die out including decapitation catching or killing the leader negotiation repression and implosion *How Terrorism Ends* is the only comprehensive book on its subject and a rarity among all the books on terrorism at once practical optimistic rigorous and historical

Gaza, NEW EDITION Jean-Pierre Filiu, 2024-07-25 Through its millennium long existence Gaza has often been bitterly disputed yet enduringly neglected Squeezed between the Negev and Sinai deserts and the Mediterranean Sea Gaza was contested by everyone from the Pharaohs Persians Greeks and Romans to the Arabs Crusaders Ottomans and British And since 1948 Gaza has been at the heart of Palestinian nationalism and history Filiu's book was the first comprehensive history of Gaza to be published in any language This new updated edition covers events since 2011 including Gaza's renewed tragic centrality to world politics and security since the events of October 2023 history's worst attack on Israel provoking history's worst war against the Palestinians

How Fighting Ends Holger Afflerbach, Hew Strachan, 2012-07-26 The history of surrender is one of the most neglected in the history of war and yet it is vital to understanding not only how wars end but also how they are contained This is a book with a chronological sweep that runs from the Stone Age to the present day written by a team of truly distinguished scholars

The Palestinians Cheryl Rubenberg, 2003 A forceful penetrating critique of the Oslo Accords and their devastating aftermath

Cosmopolitan Mediation? Deiniol Jones, 1999 Since the end of the Cold War mediation in international conflict has risen to the top of the international agenda This book takes a look at the Oslo Accords using recent developments in political and international theory

Palestine: From the negotiations in Madrid to the post-Hebron agreement period, 1997 *American Jewish Year Book*, 1996. , 1995 The Library owns the volumes of the *American Jewish Yearbook* from 1899 current

Realizing Peace Louis Kriesberg, 2015 Early work in conflict resolution and peace research focused on why wars broke out why they persisted and why peace agreements failed to endure Later research has focused on what actions and circumstances have actually

averted destructive escalations stopped the perpetuation of destructive conduct produced a relatively good conflict transformation or resulted in an enduring and relatively equitable relationship among former adversaries This later research which began in the 1950s recognizes that conflict is inevitable and is often waged in the name of rectifying injustice Additionally it argues that damages can be minimized and gains maximized for various stakeholders in waging and settling conflicts This theory which is known as the constructive conflict approach looks at how conflicts can be waged and resolved so they are broadly beneficial rather than mutually destructive In this book Louis Kriesberg one of the major figures in the school of constructive conflict looks at major foreign conflict episodes in which the United States has been involved since the onset of the Cold War to analyze when American involvement in foreign conflicts has been relatively effective and beneficial and when it has not In doing so he analyzes whether the US took constructive approaches to conflict and whether the approach yielded better consequences than more traditional coercive approaches Realizing Peace helps readers interested in engaging or learning about foreign policy to better understand what has happened in past American involvement in foreign conflicts to think freshly about better alternatives and to act in support of more constructive strategies in the future

The Political Economy of Transitions to Peace Galia Press-Barnathan,2009-07-05 Much attention has focused on the ongoing role of economics in the prevention of armed conflict and the deterioration of relations In The Political Economy of Transitions to Peace Galia Press Barnathan focuses on the importance of economics in initiating and sustaining peaceful relations after conflict Press Barnathan provides in depth case studies of several key relationships in the post World War II era Israel and Egypt Israel and Jordan Japan the Philippines and Indonesia Japan and South Korea Germany and France and Germany and Poland She creates an analytical framework through which to view each of these cases based on three factors the domestic balance between winners and losers from transition to peace the economic disparity between former enemies and the impact of third parties on stimulating new cooperative economic initiatives Her approach provides both a regional and cross regional comparative analysis of the degree of success in maintaining and advancing peace of the challenges faced by many nations in negotiating peace after conflict and of the unique role of economic factors in this highly political process Press Barnathan employs both liberal and realist theory to examine the motivations of these states and the societies they represent She also weighs their power relations to see how these factor into economic interdependence and the peace process She reveals the predominant role of the state and big business in the initial transition phase cold peace but also identifies an equally vital need for a subsequent broader societal coalition in the second normalizing phase warm peace Both levels of engagement Press Barnathan argues are essential to a durable peace Finally she points to the complex role that third parties can play in these transitions and the limited long term impact of direct economic side payments to the parties

The Palestine Yearbook of International Law ,1994
