Life is a Story - story.one](#) Fer Rivero,2023-08-28 Rive never asked for life to be this way As the next in line to become the Great Shaman he will have to survive challenging trials within the Whispering Tree Pressure expectations personal doubts and life lessons await him as he embarks on this journey On top of that four unexpected challengers won t make it easy for him A search for purpose begins while he struggles to align his emotions understand his path and uncover his true destiny *Death Dance* J. Michael Koppen,2022-11-04 The crusted pool of blood below the passenger door was her first indication of the carnage The sirens were screaming as uniforms of various colors performed on a stage of horror Three bodies lay on the sidewalk two were attended by EMTs with frantic pace The smeared blood on the plastic covering the third body relayed its finality A disturbance to her left demanded Lainee s attention Four police officers struggled to hold a wildman As if in a scene from a nightmare he broke free running straight for her It was all in slow motion He grabbed her as he ran by nearly knocking her to the ground The strap of her Coach purse caught his hand He seized the opportunity spinning around behind her He grabbed her by the throat her body directly between the officers

and his Laine had little time Alone with this animal was not an option She stomped with all her weight on his right foot then slammed her head backward feeling it connect with his cheek She allowed herself to fall straight to the ground The noise was deafening as the guns exploded The man sighed and sagged to the earth behind her She noticed a slight twitching of his legs as his body accepted death Death Dance is a voyage into the supernatural When a deranged meth addict empties his gun into a car waiting at a red light the death of a young woman and ultimately the gunman s demise launches them on a journey neither could have imagined Death Dance penetrates an existence a breath away for all of us It challenges all we suppose about influences in human life This unlikely duo is offered a choice of final judgment or accepting a calling from the king of glory Their choice finds them on a battlefield hunted by an enemy far stronger than imagined The seeming impossibility of completing their task tests faith trust and belief Each obvious weakness intensifies doubt skepticism and suspicion challenging every assurance of what lies within
