The Healing Power Of The Christian Mind:

The Healing Power of the Christian Mind Dr. William Backus, 1998-05-01 Recent studies confirm what patients chaplains and medical clinicians have testified to for years dwelling on the truth of God's Word can enhance health Dr Backus brings biblical balance to mind/body issues while staying clear of New Age philosophies Originally titled *The Healing Power of a Healthy Mind* *The Christian Healing Power* Charles Fillmore, 2019-12-18 Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills However very few have dared even to suggest that Jesus applied universal law in His restorative methods Charles Fillmore has found that Jesus' healing methods were based on universal mental and spiritual laws that anyone can utilize Ultimately that cognition led him to the conclusion that man and the universe are founded on mind and that all changes for good or ill are changes of mind Contents Christian Healing Lesson One The True Character of Being Statements for the Realization of Divine Mind Lesson Two Being's Perfect Idea Statements for the Realization of the Son of God Lesson Three Manifestation I AM Realizations Lesson Four The Formative Power of Thought Affirmations for Right Thinking Lesson Five How to Control Thought Cleansing and Purifying Statements Lesson Six The Word The Power of Words Lesson Seven Spirituality or Prayer and Praise Living Words to Quicken Spirituality Establishing the Perfect Substance Lesson Eight Faith Faith Affirmations Lesson Nine Imagination Perfection in Form Established Lesson Ten Will and Understanding The Establishment of Will and Understanding Lesson Eleven Judgment and Justice Judgment and Justice Statements Lesson Twelve Love Love Demonstrated Study Helps and Questions Jesus Christ Heals Be Thou Made Whole God Presence Realization Precedes Manifestation Producing Results The Omnipotence of Prayer God Said and It Was So Indispensable Assurance The Fullness of Time Healing through Praise and Thanksgiving I Am the Way and the Truth and the Life Healing Power of Joy Holy Spirit Fulfills the Law *The Healing Power of Christ* Charles Fillmore, 2022-11-13 In *The Healing Power of Christ* Charles Fillmore presents a profound exploration of metaphysical Christianity intertwining spiritual healing with practical application Fillmore's literary style melds personal anecdotes with doctrinal insight illustrating the transformative power of faith and the mind in achieving holistic wellness The book situates itself within the New Thought movement emphasizing the belief in the interconnectedness of the divine and human experience inviting readers to embark on a spiritual journey towards inner clarity and physical health Charles Fillmore a co-founder of the Unity Church was deeply influenced by his personal experiences with illness and healing which significantly shaped his spiritual outlook His background in metaphysics and spirituality inspired his mission to empower others through understanding the inherent healing potential within themselves Fillmore's writings reflect a lifetime of inquiry into the nature of God manifestation and the human spirit making this work a cornerstone of New Thought literature Readers seeking a manual for spiritual development and wellness will find *The Healing Power of Christ* invaluable Fillmore's insights not only encourage self-reflection but also provide practical tools for invoking divine assistance in the

healing process This book is essential for anyone interested in the intersections of faith healing and personal empowerment

Unsettled Minds Christopher G. White, 2009 Christopher White's *Unsettled Minds* makes clear how important new psychologies of religion were for those Protestants navigating their way out of Calvinism and evangelical revivalism Just as his religious liberals remapped mind and spirit White has remapped the historical terrain of religion and psychology in American culture He spotlights not a cultural world absorbed with ecstasy altered states or mythic depths but instead one riveted on measured stages of spiritual growth and effective habits of self discipline Leigh Eric Schmidt Princeton University An important contribution to the growing literature on the history of religious experience and of the distinctive dynamics of Christian interiority in the modern U S Robert Orsi Northwestern University Today when brain researchers and psychologists are again attempting to explain religion this remarkable study suggests that we should not be surprised to see religious believers creatively embracing new scientific findings and making use of them for religious purposes unexpected by scientists Ann Taves author of *Fits Trances and Visions* [Index-catalogue of the Library of the Surgeon-General's Office, United States Army Library of the Surgeon-General's Office \(U.S.\), 1888](#) **The Christian Science Journal** ,1910
