Six Bells Off Java William H. McDougall, 1983      Six Bells Off Java William H. McDougall, 1955      In the Highest Degree Tragic Donald M. Kehn, 2017-08-01 In the Highest Degree Tragic tells the heroic story of the U S Asiatic Fleet's sacrifice defending the Dutch East Indies from the Japanese in the first three months of the Pacific War Donald M Kehn Jr's comprehensive narrative history of the operations involving multiple ships and thousands of men dramatically depicts the chaotic nature of these battles His research has uncovered evidence of communications failures vessels sinking hundreds of miles from where they had been reported lost and entire complements of men simply disappearing off the face of the earth Kehn notes that much of the fleet went down with guns blazing and flag flying highlighting where many others have failed to do so the political and strategic reasons for the fleet's deployment to the region in the first place In the Highest Degree Tragic rectifies the historical record showcasing how brave yet all too human sailors and officers carried out their harrowing tasks Containing rare first person accounts and anecdotes from the highest command echelons down to the lowest enlisted personnel Kehn's book is the most comprehensive and exhaustive study to date of this important part of American involvement in World War II      **The Evacuation of Singapore to the Prison Camps of Sumatra** Judy

Balcombe, 2023-12-30 The Evacuation of Singapore to the Prison Camps of Sumatra aims to describe the events prior to during and after the Fall of Singapore and the ways in which former prisoners are remembered on Bangka Island today It is the product of many years of detailed historical research interviews with camp survivors and personal experiences discovering and locating the former Japanese civilian prison camp sites of Bangka Island and Southern Sumatra Judy's aim has been to compile an accurate description of the fate of evacuees from Singapore who were bombed and killed in the South China Sea and Bangka Strait or imprisoned in harsh Japanese civilian prison camps Many families have not known the fate of their relatives until contacting the author through the Muntok Peace Museum website <http://muntokpeacemuseum.org> The Peace Museum was established by prisoners' families in 2015 The author has also described her many visits to Bangka Island and Sumatra in detail so others may follow in her footsteps and know that their relatives who were imprisoned and died during WW2 are now remembered very respectfully in the small town of Muntok Annual Memorial Services are held each February 16 attended by families and the Australian New Zealand and British Embassies All royalties to this book will be donated to the Muntok Red Cross in memory of the prisoners      **Six Bells Off Java** William H. McDougall, 1948 In 1939 the

United Press sent McDougall to Shanghai China as a war correspondent Always hoping to get the latest story he delayed too long when the Japanese invaded China and was taken prisoner Chinese friends helped him escape to Java where he continued to file stories until it too fell He escaped on an ill fated Dutch ship that was sunk in the Indian Ocean Only three lifeboats had been launched for the 240 passengers and crew and McDougall found himself in the water with only a life jacket A strong swimmer he reached one of the overloaded lifeboats but was refused admittance For hours he drifted In his

desperation he turned to the Catholic faith of his youth and learned for the first time he later reported what prayer really is As he drifted and prayed he resolved to do something for Jesus Eventually one of the other lifeboats rescued him Prison camp awaited him when the boat reached Sumatra but he survived what then appeared as a lesser ordeal and returned home after the war He wrote two books detailing his wartime experiences *Six Bells Off Java* 1948 and *By Eastern Windows* 1949 From biographical sketch of William Henry McDougall on Utah government website History To Go *A Blue Sea of Blood* Donald M. Kehn,2009-01-15 On the morning of March 1 1942 the WWI era destroyer USS Edsall under orders to deliver some forty Army Air Force fighter crews to the beleaguered island of Java split off from the USS Whipple and the tanker Pecos and was never seen again by Allied forces Despite the later discovery of bodies identified as Edsall crew members near a remote airfield on the coast of Celebes what happened to the ship remains a matter of mystery and perhaps deliberate obfuscation This book explores the many puzzling facets of the Edsall s disappearance in order to finally tell the full story of the fate of the vessel and her crew Based on exhaustive research of the historical record including newly deciphered Japanese documents and previously unrevealed material from the crew s family members *A Blue Sea of Blood* offers a painstaking reconstruction of the ship s history The book investigates not only the Edsall s mysterious final action but also her wide ranging pre war career and the curious uses to which her story was put generally under false pretenses first by the pre war US Navy and then by the Japanese wartime propaganda machine And finally military historian Donald Kehn considers the circumstances surrounding the curious obscurity of the Edsall s heroic service and final battle in American histories Redressing six decades of official indifference Kehn s account recovers a significant chapter missing from the history of World War II and tells a long overdue story of courage and tragic loss *The Sound of Hope* Kellie D. Brown,2020-06-05 Since ancient times music has demonstrated the incomparable ability to touch and resonate with the human spirit as a tool for communication emotional expression and as a medium of cultural identity During World War II Nazi leadership recognized the power of music and chose to harness it with malevolence using its power to push their own agenda and systematically stripping it away from the Jewish people and other populations they sought to disempower But music also emerged as a counterpoint to this hate withstanding Nazi attempts to exploit or silence it Artistic expression triumphed under oppressive regimes elsewhere as well including the horrific siege of Leningrad and in Japanese internment camps in the Pacific The oppressed stubbornly clung to music wherever and however they could to preserve their culture to uplift the human spirit and to triumph over oppression even amid incredible tragedy and suffering This volume draws together the musical connections and individual stories from this tragic time through scholarly literature diaries letters memoirs compositions and art pieces Collectively they bear witness to the power of music and offer a reminder to humanity of the imperative each faces to not only remember but to prevent another such cataclysm *If I Get Out Alive* William H. McDougall,2007 A collection of articulate and perceptive letters and diary entries written by reporter William H McDougall Jr

that offer an intimate personal narrative of conditions in wartime East Asia      By Eastern Windows William H. McDougall Jr.,2018-12-05 First published in 1949 in By Eastern Windows author William H McDougall recalls his experiences of his three years spent in prison camps in Sumatra By Eastern Windows is filled with stories of the heroism and sacrifice of priests doctors and simple men as well as of the disgraceful behaviour of deadbeats and chiselers It is written throughout in a spirit of humility and humble faith It packs a wallop Orville Prescott New York Times By Eastern Windows is a book that deals with the spirit of mankind at war and is directed to the spirit of mankind in peace Everyone who reads this book upon completion surely must agree with the author that there is no possible disarmament except in the hearts of men Grace S Nutley New York Eagle It is an amazing tale with humor lighting tragedy and heroism marking what might have been the sheerest of animal existences By Eastern Windows is perhaps the best book of its sort to date in that it is neither so objectively done that it misses the ever present human element nor so sentimentally reported that it fails to show both sides of the Japanese captors as they went somewhat bewilderedly about their tasks in a losing fight T M W Boston Traveler      **Americans in a World at War** Brooke L. Blower,2023 Americans in a World at War tells the panoramic and often surprising story of seven worldly Americans their personal histories their politics and the paths that led them to board a Pan American Airways seaplane bound for Lisbon in February 1943 When the Yankee Clipper crashed in the Tagus River it took numerous lives but left a paper trail that leads to a richer deeper understanding of Americans diverse global commitments during the first half of the twentieth century as well as how the Second World War would transform those engagements      *Catalog of Copyright Entries.
