Their rancor is more heated than ever; the brigade tries to support Tetsuo as much as possible while the challenges against Aiko become more and more violent. **Never Quit the Fight** Ralph Peters, 2008-02-13 Drawing on his global experiences from Africa to Iraq, author Ralph Peters attacks today's crucial issues of our time head-on with the clear eye and blunt voice that has won him a devoted following. Is Iraq worth it? What's the truth behind the politics? Are our defense dollars buying a strong military or the wrong military? Are we missing great opportunities elsewhere while hypnotized by the Middle East? Must we accept that Islam itself is the problem? Will we face a war with China? What would such a war mean? Can Washington learn from its mistakes? These are just a few of the controversial issues Peters takes on in a series of body blows to the status quo. Famed as the most original strategist of our time, Ralph Peters builds on the critical and commercial success of previous books *Wars of Blood and Faith* 978 0 8117 0274 4 and *New Glory* 1 59523 011 4 to offer a stunningly fresh vision for our military, our country, and the world.
