## **Social Work And Debt Problems:**

**Social Work: Themes, Issues and Critical Debates** Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study

**What Is the Future of Social Work?** Lavalette, Michael, 2019-10-02 Social work is under unprecedented pressure as a result of funding cuts political interventions marketisation and welfare transformations which combined are dramatically reshaping the relationship between individuals and the welfare state A wide range of distinguished academics provide a comprehensive analysis of the evolving challenges facing contemporary social work reflecting on both the existential and ideological threats to the profession As well as the chief practice areas of child protection adult care and mental health contributors also examine practice issues surrounding older people neoliberalism neo eugenics and the refugee crisis This book offers concrete policy proposals for the future of the profession alongside valuable solutions which students and practitioners can action on the ground

**Constructing Social Work Practices** Arja Jokinen, 2018-12-17 First published in 1999 Jokinen Juhila and Poso comprises both theoretical reflexive articles and articles based on empirical social constructionist studies It provokes new ways of looking at social work practices as interpretative and interactive processes In addition to this theoretical and methodological contribution the volume provides empirically based material on the practical implications of an alliance between social work and social constructionism

*Forensic Social Work* Jacqueline Bosker, Anneke Menger, Vivienne de Vogel, 2025-11-11 Providing an overview of the knowledge and methods required by professionals working in a mandated setting with adults who have committed offences Forensic Social Work presents evidence based knowledge in an accessible way that can be directly translated to application in daily practice Covering a wide range of topics Part 1 of the book includes foundational theories that provide a solid basis for the development of practice based methods and forensic social

professionalism the development of offending behaviour desistance professional reflection and resilience of professionals Part 2 develops and organises the forensic social supervision process and deals with planning assessment of risk and protective factors cooperation with other professionals volunteers experts by experience and the social network Part 3 contains essential practices for forensic social professionals including the dynamics of involuntary interaction the working alliance motivating strength based and restorative practices and de escalation strategies Finally Part 4 deals with unique client needs such as debt trauma mild intellectual disability substance use and mental disorders There is also a focus on digital crimes and the online street identity that becomes intertwined with offending behaviour in young adults Intended for use in either practical training or theoretical study this book will be of value to professionals such as probation workers forensic mental health professionals and prison staff as well as students studying or training in areas related to forensic social work

**The Social Work Companion** Neil Thompson, Sue Thompson, 2017-09-16 This new and fully updated edition of a hugely popular textbook is a practical and user friendly guide that lets students know what to expect from their course and will be there every step of the way as a reference tool Written by experts in the field the book guides the reader through from their academic study on social work courses to entering the field as a practitioner The Social Work Companion is the essential survival guide for students on qualifying courses in social work and a helpful resource for experienced practitioners New to this Edition A indispensable wide ranging yet accessible coverage of the core areas of theory and practice studied on a typical social work degree course A wealth of guidance on study skills advice about possible career directions and extensive signposting to sources of further information

**Poverty, Inequality and Social Work** Ian Cummins, 2018-01-17 A critical analysis of the domino effect of neoliberalism and austerity on social work Applying theory including those of Bourdieu and Wacquant to practice it argues that social work should return to a focus on relational and community approaches

*Social Work and Community Practice* Sharon Duca Palmer, 2016-04-19 This title includes a number of Open Access chapters This book explores a variety of physical mental and lifestyle challenges faced by community populations Some of the topics discussed include homelessness smoking trends among certain populations mental health issues among different age and gender groups substance abuse and domestic violence The book also examines community health promotion nutrition intervention contraception and more

**Social Work Education for and Beyond Sustainable Development** Rajendra Baikady, 2025-10-24 This volume looks at social work education and its role in achieving Sustainable Development Goals SDGs across the globe It examines the incorporation of SDGs in curriculum and pedagogy devising SDG centered modules for social work practice during teaching and developing SDG focused teaching programs in social work Part of the Social Work and Society series the book also studies local national and international advocacy efforts in social work for achieving the SDGs School administrators teachers researchers students practitioners and policymakers in the domains of social work and social development will find this volume useful in understanding how the two fields of social work and sustainable

development achieve common goals around the world

**Dictionary of Social Work: the Definitive a to Z of Social Work and Social Care** Martin Thomas, John Pierson, 2010-07-16 This updated and revised version of a very popular and well received book provides a key quick reference work for students and new and experienced practitioners The succinct r sum s of current issues and their implications for practice and policy help readers to get to grips with the wide range of key concepts and terms used in social work social care law and health services This book is highly recommended for its wide ranging set of summaries which are valuable in first encounters with or updating of knowledge in social work Professor Brian Littlechild Associate Head of School of Nursing Midwifery and Social Work University of Hertfordshire This Dictionary of Social Work provides a comprehensive and authoritative guide to the terminology used in social work The evidence based entries are cross referenced and informed by up to date legislation Very detailed and useful contextual information are included and the reader is directed to other sources of information This dictionary is a must read for all social work students practitioners and academics and should be included on all social work reading lists Dr Frank Keating Senior Lecturer In Health and Social Care Royal Holloway University of London I consider this to be an invaluable handbook of social work knowledge which is highly accessible informative and concise Many will be surprised by the content which exceeds expectation as it goes much further than a standard dictionary offering understanding and initial analysis of a range of difficult concepts This is a must have reference text which social work students will carry with them throughout their degree studies An essential instrument for navigating through the vast range of subject matter confronting social work students One of few of its type its features will ensure it remains a highly attractive acquisition Martin Sheedy Senior Lecturer Centre for Social Work Liverpool John Moores University With over 1500 entries this popular dictionary provides concise and up to date explanations of the theories approaches and terminology that define front line social work and social care These entries explain in jargon free language how key concepts can be used to improve practice Clear explanations outline significant developments such as Every Child Matters and the personalization of adult services Entries are helpfully cross referenced and are evidence based They reflect professional values and are written by specialists in the field with a specific focus on the most recent legislation and policy guidance from government This book is a key reference for students in further and higher education who are preparing for careers in social work community care residential care child care the probation service counselling and psychiatric nursing

**Social Work Education and the Grand Challenges** R. Paul Maiden, Eugenia L. Weiss, 2023-04-04 The Grand Challenges for Social Work GCSW provides an agenda for society and for the social work profession The 13 GCSW have been codified by the American Academy of Social Work and Social Welfare and are emerging as a significant underpinning in the education of undergraduate and graduate social work students throughout the USA This volume serves as a guide as to how this can best be achieved in alignment with the 2022 Educational Policy and Accreditation Standards EPAS from the Council of Social Work Education Divided into four parts Individual and Family Well

Being Stronger Social Fabric A Just Society The Grand Challenges in the Field Each chapter introduces a Grand Challenge situates it within the curricula and provides teaching practices in one of the targeted domains as well as learning objectives class exercises and discussions By showing how to facilitate class discussion manage difficult conversations and address diversity equity and inclusion as part of teaching the topic this book will be of interest to all faculty teaching at both undergraduate and graduate levels It should be noted that there are additional supplementary chapters beyond the 13 GCSW that provide further context for the reader

**The SAGE Handbook of International Social Work** Karen H Lyons, Terry Hokenstad, Manohar Pawar, Nathalie Huegler, Nigel Hall, 2012-05-18 Social work is a profession that is increasingly involved with issues which have a global dimension This Handbook tackles the global local aspect of social work in its various forms and interrogates the key concerns that societies are facing through an international lens The contributors show that with an appreciation of commonalities and differences local practices and appropriate forms of international activity can be better developed Areas covered include Analysis of International social work Globalisation and indigenisation Social justice and human rights Poverty and livelihoods Ecological issues Migration Education theory research and practice Social work in different settings Religion and spirituality Responses to disasters and conflicts Life course perspectives Regional perspectives Future directions With a truly international range of contributions the Handbook incorporates perspectives from Asia Africa Europe Australasia the Middle East and the Americas It will be an invaluable resource for undergraduates postgraduates researchers and academics working in the fields of social work social welfare human services and community development worldwide as well as service providers and policy makers in the international arena

**The Routledge Handbook on Financial Social Work** Christine Callahan, Jodi Jacobson Frey, Rachel Imboden, 2019-11-21 The Routledge Handbook on Financial Social Work explicates the financial needs issues and interventions within populations and theoretical approaches and it assists clinician practitioners in intervening expertly and comprehensively This book covers a range of issues in populations seeking services around complex financial needs and struggles including those in the child welfare system those with housing issues or facing homelessness those coping with chronic and acute medical and psychiatric illnesses those recovering from interpersonal violence those facing recovery from incarceration children and families involved in the child welfare system and much more In addition policies will be woven in to inform the work This book thoroughly explores research and evidence based interventions around each population and teaches clinicians to understand and treat financial distress holistically and empathically This handbook will explain why understanding financial capability in these populations is so critical and how clinicians can step up their practices to meet those needs Professionals from multiple disciplines ranging from financial therapists to social workers to financial coaches to financial planners will find this handbook eminently useful

*Financial Aid through Social Work* Michael P. Jackson, B. Michael Valencia, 2024-12-06 Financial Aid through Social Work 1979 examines the way in which financial aid through social work has been used and the

consequences of such use Beginning with an examination of the historical and comparative background the book looks at the decisions made by social workers on financial aid and the way in which they are arrived at Among the questions examined are the extent to which there is any well defined policy on financial aid the overlap between the work of social work departments and other agencies and the effect that financial aid has on the relationship between clients and social workers

The Welfare State Crisis and the Transformation of Social Service Work Michael Fabricant, Steve F. Burghardt, Irwin Epstein, 2016-09-16 This book has emerged in response to social service workers vivid descriptions of changes in the practice of their craft during the past 15 years and to the scanty literature that addressed their concerns Few works have attempted to explore the interplay between the recent broader changes affecting the welfare state fiscal crisis cost containment privatization etc and the restructuring of social service work Yet it is clear that the fiscal decisions of the 1980s profoundly affected both the context and content of social service practice The Welfare State Crisis and the Transformation of Social Service Work explores how these larger forces have created significant changes for the line practitioner The greater push for caseload volume in the face of resource scarcity is redefining service encounters in ways that are more likely to meet the fiscal needs of the agency rather than the service needs of clients and the professional concerns of the worker In short the fiscal crisis of the past two decades has placed the enterprise of social services at risk After empirically documenting the seriousness of the risk The Welfare State Crisis and the Transformation of Social Service Work concludes with an exploration of new social service practice strategies that have the potential to integrate the individual organization communal and social changes necessary for effective service interventions

Social Work with Families Eric Sainsbury, 2023-08-09 Originally published in 1975 and based on a study of the memories and perceptions of twenty seven families known to a Family Service Unit and of their most recent social workers this book was an important contribution to our knowledge of consumer opinions of the social services at the time In particular it draws attention to factors relevant to the evaluation of social work practice and to the definition of success The family members describe for themselves by means of extracts from tape recorded interviews what it feels like to have problems to be referred for help in short to be a client They give an account of the help they have received and define the personal attributes and activities which they have found helpful and appropriate in social workers This book would have been of special value to social workers to social work students and to all those concerned with social policy and administration Today it can be read in its historical context

**International Social Work Research** Tony Tripodi, Miriam Potocky-Tripodi, 2006-07-27 With the constant exchange of international information now a permanent condition in the world social work scholars and students must be sensitive to the need for knowledge sharing between countries as well as to issues involved in obtaining and utilizing international knowledge Yet until now no book has juxtaposed these two growing streams of emphasis In this clearly written volume Tony Tripodi and Miriam Potocky Tripodi fill that gap presenting readers with the many prospects and great potential for international social work research The

authors establish three discrete varieties of research supra national intra national and trans national and explore a wealth of issues and examples within each The easy to follow format helps readers learn how to define and distinguish each kind of research then provides actual applications of all three Examples draw on research from the world over and range from microcredit programs in India to migrant aid in Nicaragua to adoptees in Romania These unique features make it an ideal sequel to basic research texts in social work and supplement to texts on international social work but also an attractive addition to any faculty researchers bookshelf Modernising Social Services in Spain Designing a New National Framework

OECD,2022-10-18 Social services in Spain are confronted with a series of challenges including growing demand due to population ageing changing family models rising inequality and labour market changes This report suggests ways to improve the legal context move towards more universal services strengthen quality and move towards more evidence based policies

*Practising Social Work* Christopher Hanvey,Terry Philpot,2002-08-26 Practicing Social Work provides a systematic exploratiuon of ar ange of social work approaches Each chapter focuses on a single theme and explains the practice implications of a particular method International Social Work Lynne Moore Healy,Rebecca Leela Thomas,2020-07-30 International Social Work Professional Action in an Interdependent World Third Edition is a comprehensive treatment of all dimensions of international social work The authors four part framework includes domestic practice and policy influenced by global forces professional exchange international practice and global social policy The first section of the book explores globalization development and human rights as foundational concepts for international social work The text then provides an overview of global social issues and international organizations related to social welfare Part II offers an overview of the global history of the profession Similarities and differences in social work around the world are examined through seven country examples Part III provides an extensive discussion of current aspects of the global profession with chapters on ethics social policy international development practice and practice at the international domestic interface Modalities of international professional exchange are then explored prior to a concluding chapter that provides recommendations for international action The text is enlivened by numerous case examples drawn from many parts of the world The history chapters include brief biographies of noted social workers on the international scene whose accomplishments serve as inspiration for readers The text is extensively referenced with updated professional literature and intergovernmental documents Carefully selected items in the appendix expand the usefulness of the book Social Policy for Social Work Robert Adams,2017-03-14 Social Policy for Social Work provides a comprehensive critical and engaging introduction to social policy for students and practitioners of social work The text is clearly structured into three parts that cover contexts policies and issues The first part explores changing perspectives on social policy and social work and provides an introduction to the broad range of specific policy aspects discussed in part two which include social security health and community care family and child care criminal justice Part three focuses on key issues such as tackling divisions and inequalities the control of

services including empowering people receiving services and future policy trends Additionally appendices provide a key to common abbreviations dates of the main legislation and internet addresses of main information sources on policy and research Illustrations from practice are included throughout to highlight implications for social work practice The text focuses on contemporary Britain but also draws examples from European global and historical contexts wherever appropriate This exceptional text demonstrates clearly the relevance and implications of social policy for social work practice It is an essential and practical resource for all students and practitioners in the welfare field
