Hoffman, 1966-12-31 Makes a major contribution to current research on children by providing a broad view of up to date authoritative material in many different areas Contributors have selected and interpreted the relevant material in reference to the practitioner's interests and needs The chapters written by prominent specialists cover various topics in child development from early periods of socialization to the development of higher mental processes and include two chapters dealing with genetic and neurophysiological bases of behavior **Dictionary Catalog of the Schomburg Collection of Negro Literature & History** Schomburg Center for Research in Black Culture, 1962 **Muslims in India** Qamar Hasan, 1987 The work is unique in the sense that it has not only delved into historical antecedents of the contemporary attitudes of the new generation of Indian Muslims but has also brought out their adjustment mechanisms and reactions to the demands which are made upon them from a section of the majority For the understanding of different aspects of behaviour of the minority vis a vis the majority the author has liberally drawn upon the relevant literature of three branches of social

Reviews The perspective offered by the author in the present study augurs well for the cause of nation building in the specific context of the persisting and ever elusive communal problem in India Prof Iqbal Narain The publication is so fascinating that I read more than half by the time I reached Lucknow Prof H S Asthana The first full length study of the mass psychology of the Muslim mind after Mujib s The Indian Muslims Qamar Hasan has used the tools of academic research to study the Muslim factor in Indian Politics read it because it is a same voice in the madness all around Tapan Basu Sunday The book clearly brings out reactions indicative of fear of domination and urge to dominate the book has made a definite contribution in the understanding of inter and intra group relationships Pramod Kumar The author must be complimented for his bold and frank revelations about the attitudes of Muslims and Hindus towards each other their self appraisals and their assessment Dr K Ravichandra Review Projector Vol VIII Nos 10 12 The causes and cures of the serious problems bedevilling relations between the Muslim minority in India and the Hindu majority badly need studying within a socio psychological framework Qamar Hasan is on the right track for a social scientist to throw light on the problems of his people but he needs to settle on just one frame of reference and typology and then test some bolder hypotheses *Personnel Literature* United States.
